
This wine list reflects our passion for wine and desire to explore and learn from some of the best and most innovative wine producers from around the world.

Our list provides an important context for our range of wines at Ten Minutes by Tractor. You will find the best of what the Mornington Peninsula has to offer, as well as a curated list of some of the most exciting and iconic winemakers, regions and grape varieties produced throughout the world of wine.

We strongly believe that great wines are the result of sustainable viticultural practices, a focus on soil and vine health and our responsibilities as custodians of the land. Thus, we selected producers we know share this philosophy and who are working to craft wines that are exceptional expressions of their terroir.

Most importantly, this wine list provides a wonderful array of wines, that can be enjoyed on their own or to compliment the menu of our Head Chef Hayden Ellis and his team, who focus on fresh, seasonal, and locally sourced ingredients, including from our own market garden.

Our experienced and profesional team of sommeliers are here to help guide you should you need assistance with your wine matches and your time with us.

We invite you to follow us and our story as we continue to explore the world of wine and how it can help transform a dining experience and bring joy to every special occasion.

ANSELME SELOSSE AT DOMAINE JACQUES SELOSSE

Anselme Selosse is today the most influential grower in Champagne, who inspired an entire generation of young winegrowers. His champagnes have become some of the most sought after wines in the world. His style is controversial: a few believe it to be the most significant expression of the wines from the region; others find it incomprehensible.

'Exquise', A Special cuvée created in the 1990s to meet the demands of two french chefs: Bernard Loiseau & Pierre Gagnaire. Chardonnay from Avize & Cramant Grands Crus with 24g of sugar.

Some of the most famous wines in Germany are grown alongside the banks of the Mosel River. Under the Pradikat classification, you find wines produced from the same vineyard but picked at varying sweetness levels. In order from lightest to most sweet; Kabinett, Spätlese, Auslese. The Goldkapsel is a traditional way of showing a wine has additional residual sugar past its legal requirement.

NIKOLAUS SAAHS JR. AT WEINGUT NIKOLAIHOF

Austria produces some of the greatest expressions of cool climate varieties like Riesling and Grüner Veltliner in the world. Nikolaihof is regarded as one of the great estates in the winemaking world and the oldest winery in the country. Their 'Im Weingebirge' vineyard is thought to be the oldest named site in Europe. We present these wines to you direct from their cellar in the Wachau.

10x Range

10x wines are sourced from several vineyards on the Mornington Peninsula and are therefore a regional expression of each variety. All our fruit is Estate grown or managed.

2023	10x	105
2015	10x	145

Estate Range

Our Estate wines are a barrel selection from our individual vineyards which are blended to create the best expression of Mornington Peninsula Chardonnay in the given vintage.

Trahēre

This limited release wine is the culmination of all the things that define us; our unique land, the drive to pull forward and our passion to learn and bring people together.

2021	Trahēre	240

Judd Vineyard - Main Ridge

First planted in 1990, this is our steepest and highest, reaching 206m at its highest point. The Judd vineyard is much more generous in the fruit flavour profiles which offers a unique point of difference from the elegance of Wallis or the delicacy of McCutcheon.

2013	Judd	245

McCutcheon Vineyard - Main Ridge

Planted in 1992, McCutcheon is our second highest site, at 200m at its highest point. The McCutcheon vineyard leads to more elegant flavours with greater structure and finer tannins than Judd or Wallis in most years.

Wallis Vineyard - Flinders

First planted in 1992, this is both our second flatest and lowest altitude vineyards reaching only 142m at its highest point. The northeast slope means it receives good daytime light and heat exposure, though night time temperature fall quickly as the valley acts as a drain drawing the cooler night air down through the vineyard and off into Bass Straight. 'Ocean' sea breezes from Bass Strait also keep temperatures lower than they might otherwise be expected to be.

2017	Wallis	210
2015	Wallis	225
2012	Wallis	255
2011	Wallis	275

Mills Vineyard - Merricks North

Planted in 2000 by the Mills family, the quality of the Mills Chardonnay has always shone through and has been an important component of our Estate bottling in recent years. In 2017 a new Chardonnay block was planted with clone 95, and the first vintages from these young vines have further underlined the quality of this site.

BURGUNDY - A FOREWORD

The Côte d'Or has become synonymous with precision and finesse for Chardonnay and Pinot Noir, with one of the most complex vineyard landscapes in the world. The concept of terrior here is at its strongest, with each individual vineyard showing its own true character and style.

It is common for a vineyard to be broken down into parcels. Each owned, managed and produced by different domaines and negociants infusing their own viticultural and winemaking style into the wines.

The complex combination of different producers, vineyards, villages and appellations can lead even the most well-versed wine enthusiasts into confusion. In an endevour to simplify this as much as possible we offer the following definitions:

Regional wines or 'Bourgogne Blanc & Rouge' can come from anywhere within Burgundy and are not tied to a village or vineyard. They represent the majority of wines produced in the region.

Village wines are produced from vines located within a specific village, for example 'Chambolle - Musigny'. These wines begin to show a sense of terroir from their respective village.

Premier Cru (1er Cru) vineyards are named vineyards within a village, with their own demarcated boundries, and show significant expression of site, with different expositions, soil profiles and levels of elevation. These are some of Burgundy's best wines.

Grand Cru; there are 33 vineyards in the Côte d'Or that can append this legendary title to their wines, together they are some of the greatest vineyards on the planet. Certainly the most famous, they represent around one percent of overall production from the region.

We hope that you enjoy our collection. The wines of Burgundy are becoming harder and harder to find and we wish for them to be enjoyed for what they are:

Magic.

ISABELLE RAVENEAU AT DOMAINE FRANÇOIS RAVENEAU

Raveneau is a household name in Chablis. The family has spent generations cultivating their small collection of vineyards. Bernard & Jean Marie, now Isabelle makes some of the world's most sought after wines. Production is tiny, and the resulting wines inspire winemakers and drinkers alike with these articulate and vivacious expressions of terrior.

VINCENT DAUVISSAT AT DOMAINE VINCENT DAUVISSAT

Vincent Dauvissat is no doubt one of the greatest wine makers in Chablis. Alongside Raveneau, the two domaines continue to define excellence in the region. Growing from a tiny domaine in the 1950's with several aquisitions in the subsequent decades. Vincent joined the family business in 1979 and took over winemaking from his father René in 1989. Farmed biodynamicaly since 2002.

10x Range

10x wines are sourced from several vineyards on the Mornington Peninsula and are therefore a regional expression of each variety. All our fruit is Estate grown or managed.

2023	10x	105
2012	10x	211

Estate Range

Our Estate wines are a barrel selection from our individual vineyards which are blended to create the best expression of Mornington Peninsula Pinot Noir in the given vintage.

Trahēre

This limited release wine is the culmination of all the things that define us: our unique land, the drive to pull forward and our passion to learn and bring people together.

2021	Trahēre	270

Judd Vineyard - Main Ridge

First planted in 1990, this is our steepest and highest, reaching 206m at its highest point. The Judd vineyard is much more generous in the fruit flavour profiles which offers a unique point of difference from the elegance of Wallis or the delicacy of McCutcheon.

2022	Judd	185
2017	Judd	235
2010	Judd	295

McCutcheon Vineyard - Main Ridge

Planted in 1992, McCutcheon is our second highest site, at 200m at its highest point. The McCutcheon vineyard leads to more elegant flavours with greater structure and finer tannins than Judd or Wallis in most years.

2022	McCutcheon	185
2021	McCutcheon	200
2017	McCutcheon	235

Wallis Vineyard - Flinders

First planted in 1992, this is both our second flatest and lowest altitude vineyards reaching only 142m at its highest point. The northeast slope means it receives good daytime light and heat exposure, though night time temperature fall quickly as the valley acts as a drain drawing the cooler night air down through the vineyard and off into Bass Straight. 'Ocean' sea breezes from Bass Strait also keep temperatures lower than they might otherwise be expected to be.

Coolart Vineyard - Balnarring

First planted in 2000, this is our northern Peninsula, down-the-hill vineyard in the Balnarring region. It is also our flattest with a maximum elevation of 72m. It is markedly different from the other single vineyard wines, dark and dense in comparison.

CHISA BIZE AT SIMON BIZE & FILS

Founded in 1890, 4 Generations of Bize built this quiet domaine in the heart of Savigny. After Patrick Bize's untimely death his wife Chisa took over in 2013. Her wines are both delicate and powerful. Choosing to punch down more than usual, use high proprotions of whole bunches and little new oak. No Pesticides or fungicides are used in the vineyard.

GUILLAUME MARQUIS D'ANGERVILLE AT MARQUIS D'ANGERVILLE

The estate was born in 1804, and the legacy continued in the early 1900's when Sem Marquis d'Angerville pioneered domaine-bottled Burgundy alongside his friend Henri Gouges. Jacques, who took over in 1952, brought the estate to even greater heights. Sadly, he passed away in 2003. His son Guillaume is now leading the domaine. Biodynamic since 2006.
