

Welcome to Our Spring World

The sun comes out and the light envelops the restaurant, and the heat begins to hit our soils. Herbs and vegetables start to sprout in the local farms and forests.

Lobster, malt and tomato

Oysters, pine and smoked cheese

Danish hiramasa, white currants and citrus herbs

Beetroot, horseradish and cod cheeks

Asparagus, caviar and hazelnut

Squid, potato and elderflower

Our bread

Scallop, plum and smoke

Langoustine, tomato and carrot

Turbot, juniper and spring vegetables

Yoghurt, blackcurrant and birch

Rhubarb, "øllebrød" and honey

Chocolate, Jerusalem artichoke and baked hay

Quince and hiprose

Raspberry and caramel

White chocolate and woodruff
