Star Wine List relaunches wine guide to Alsace

Star Wine List, the award-winning guide to great wine bars and wine restaurants, has relaunched the wine lover's guide to Alsace. Star Wine List's new Alsace Ambassador, sommelier Jean-Baptiste Klein, has curated a selection of 18 wine restaurants and wine bars, which have been added to the existing Alsatian venues listed on Star Wine List, to create a full guide to the region.

"Alsace is a great wine region that is, unfortunately, still too often overlooked," says Jean-Baptiste Klein. "Yet, there is currently a very strong dynamic, and exceptional wine quality, with a diversity of wine types and great terroirs. This complexity is unique in the wine world, and this wine scene perfectly matches the very strong gastronomic tradition in our region."

[Enfin](#), [La Quille](#), [Bratschtall Manala](#) and [L'Auberge de l'Ill](#) are among the 18 venues selected for Star Wine List Alsace. Check out the full selection on starwinelist.com or on the app.

"Alsace is one of the most amazing wine regions to visit – breathtaking views, great wines, amazing restaurants. We are very happy to share Jean-Baptiste's addresses with wine lovers from all over the world. Santé!" says Krister Bengtsson, Star Wine List's Founder and Publisher.

You will also find the up-to-date wine lists of many of the restaurants and bars featured in the guide, on starwinelist.com.
