Star Wine List launches wine guide to Central Asia

Star Wine List, the award-winning guide to great wine bars and wine restaurants, has launched the wine lover's guide to Central Asia, with recommendations across Kazakhstan, Uzbekistan and Azerbaijan. Star Wine List's Central Asia ambassador, Artem Lebedev, has curated a selection of eleven wine restaurants and wine bars.

"The wine and restaurant scene in larger cities is experiencing exciting developments: local cultures are beginning to merge traditional dishes with both western and eastern culinary approaches, often pairing them with wine. I believe that what is happening now is very promising," says Lebedev.

Agora, Horoshiy God and Spiros are among the eight venues in Almaty, Kazakhstan selected for Star Wine List Central Asia, along with **Provino** in the capital Astana, **Winesday** in Tashkent, Uzbekistan and **Kefli** in Baku, Azerbaijan. Check out the Almaty guide on starwinelist.com or on the app.

"We are very excited to showcase the development of the wine scene in Central Asia thanks to Artem Lebedev - and to follow up what will happen in the coming year," says Krister Bengtsson, Star Wine List's founder and publisher.

You will also find up-to-date wine lists for many of the restaurants and bars featured in the guide via their Star Wine List profiles - take a look on the app or starwinelist.com.
