## **Star Wine List launches wine guide to Denver**

**Star Wine List, the award-winning guide to great wine bars and wine restaurants, has launched the wine lover's guide to Denver. Star Wine List's new Denver ambassador, Erik Segelbaum, has curated a selection of 14 wine restaurants and wine bars across the Colorado capital and Boulder.**

"I'm excited to bring Star Wine List to Denver because this is such an under-appreciated and underrated city with an absolutely incredible culinary and wine scene," says Erik about Denver's food and wine scene.

Beckon, Noble Riot and El Five are among the 14 venues selected for Star Wine List Denver. Check out the full Star Wine List selection on [starwinelist.com](https://starwinelist.com) or on the app.

"Most wine lovers around the world are not familiar with the wine and restaurant scene in Denver, and that makes it even more exciting to share our very first guide to the city. Cheers!" says Krister Bengtsson, Star Wine List's Founder and Publisher.

You will also find the up-to-date wine lists of many of the restaurants and bars featured in the guide, on [starwinelist.com](https://starwinelist.com).
