Star Wine List relaunches wine guide to Los Angeles

Star Wine List, the award-winning guide to great wine bars and wine restaurants, has relaunched the wine lover's guide to Los Angeles. Star Wine List's new LA Ambassador, sommelier and consultant Taylor Parsons, has curated a selection of nine wine restaurants and wine bars, which have been added to the existing venues listed on Star Wine List, to create a full guide to the 'City of Angels.'

"Wine bars have proliferated around the city and are filled nightly with the young and the hip, sharing bottle after bottle of the latest natural quaffers," says Taylor. "Restaurants have invested more broadly in cellars and the professionals to staff them, giving rise to exponentially more 'serious' programs around the city. And the rise of ride-sharing apps like Lyft and Uber has completely changed the game – the spectre of driving home is no longer a limiting factor on consumption."

[A.O.C.](#), [Buvons](#) and [Juliet](#) are among the nine venues selected for Star Wine List LA. Check out the full selection on starwinelist.com or on the app.

"Los Angeles is the city of dreams and, with all the LA choices now on Star Wine List, we are happy to share a lot of great places for wine lovers visiting the city, and for the lucky ones who live there!" says Krister Bengtsson, Star Wine List's Founder and Publisher.

You will also find the up-to-date wine lists of many of the restaurants and bars featured in the guide, on starwinelist.com.
