Star Wine List launches wine guide to Prague

Star Wine List, the award-winning guide to great wine bars and wine restaurants, has launched the wine lover's guide to Prague. Star Wine List's Prague ambassador, Gabriel Riel-Salvatore, has curated a selection of 15 wine restaurants and wine bars.

"Since the Velvet Revolution of 1989, which restored vineyards to their original owners, Czech wines have gained international acclaim yet remain mostly local treasures due to limited production," says Gabriel. "With its vibrant restaurant scene, Prague has become a true wine capital, offering an exciting selection of local and international wines that appeal to both casual drinkers and seasoned connoisseurs looking to try "new wines" from the Old World and beyond."

Le Terroir, 420 and V Zátíší are among the 15 venues selected for Star Wine List Prague. Check out the full selection on starwinelist.com or on the app.

"Prague is one of the world's most popular cities for travelers and rightly so, it is charming and beautiful. Moreover I love Czech pilsner! But, I have always struggled a bit to find the great wine places. Now, thanks to Gabriel Riel-Salvatore, we can finally have the full Prague experience, with wine and beer, cheers!" says Krister Bengtsson, Star Wine List's Founder and Publisher.

You will also find the up-to-date wine lists of many of the restaurants and bars featured in the guide, on starwinelist.com.
