Star Wine List welcomes acclaimed wine collector and industry advocate Queena Wong as London Ambassador

Star Wine List, the international guide to great wine bars and restaurants, often referred to as the Michelin guide for the wine world, proudly announces Queena Wong as the new ambassador for London. A prominent UK wine collector, connector, and outspoken champion of wine in hospitality, Queena will bring her extensive knowledge and influence to the role, celebrating and guiding consumers to the city's best wine venues.

Known for her all-encompassing passion for wine, Queena moves effortlessly between high-end restaurants and casual East London wine bars off the beaten track. As Star Wine List's ambassador in the UK capital, Queena will help highlight the exceptional wine programs and talented teams that make London a world-class destination for wine lovers. She has started by adding 10 new Red Stars to Star Wine List's [London wine guide](#), with updated reviews to a further 10.

Beyond her presence as a collector, Queena is the founder of Curious Vines, a transformative community for women+ in the wine industry. Through her leadership, Curious Vines drives change in gender representation, for example increasing the number of women competing in prestigious events like the UK Sommelier of the Year, and making space for new generations in the industry. Her impact was recently recognised when she was ranked fifth in Drinks Retailing's "Top 100 Most Influential" drinks personalities.

"Star Wine List for me has just been a whole game changer," Queena says. "It's the go-to place if you want to find someone new that's vinous, so it's really important."

Queena describes her first Red Star listings as "places that I have been to personally time and again. They're the mainstays, the ones that we want to acknowledge – entities that are backed by wine lovers, places that have wine-centricity."

Queena swaps over from outgoing London Ambassador Kathrine Larsen-Robert MS (Head of Wine, Europe, at 67 Pall Mall), who will continue as a jury member for our Star Wine List of the Year global tour – a big thank you to Kathrine for all of her hard work!
