Star Wine List launches wine guide to Rome

Star Wine List, the award-winning guide to great wine bars and wine restaurants, has launched the wine lover's guide to Rome. Star Wine List's Rome ambassador, Daniele Pardi, has curated a selection of 14 wine restaurants and wine bars.

"When in Rome, do as the Romans do! The city has much to offer its visitors, but sifting through its thousands of restaurants and bars can be quite a task. However, those who live in the Eternal City know how to navigate it well and avoid tourist traps. Excellence abounds here, whether it's a guide selected restaurant, something more informal, or a simple Roman pizzeria," said Daniele Pardi about Rome's food and wine scene.

Retrovino, Il Gocchetto and Cul de Sac are among the fourteen venues selected for Star Wine List in Rome. Check out the Star Wine List Rome selection on starwinelist.com or on the app.

"Finally we are able to add Rome to our collection of guides! I am not alone in loving the city so I know it will be of great use to wine lovers from all over the world," said Krister Bengtsson, Star Wine List's founder and publisher.

For many of the restaurants and bars, you will find their updated wine lists on starwinelist.com.
