Star Wine List launches wine guide to Sydney

Star Wine List is pleased to announce the appointment of Dom Sweeney as the new Ambassador for Sydney, Australia.

A respected editor and journalist with over a decade's experience across wine media, tech and trade, Dom is well-placed to cover the very best of Sydney's wine talent, both longstanding and emerging.

"As a truly global city, Sydney's ability to knock out a world-class wine list cannot be overstated, and it's only getting better," said Dom.

"I'm thrilled to be part of the Star Wine List team to help both locals and visitors alike navigate our dynamic wine scene and seek out the very best Sydney has to offer."

Venues such as Beau, Redbird and Woodcut are among the 11 venues Dom selected for his first update for Star Wine List Sydney; in total, we currently show wine lovers to 30 great wine places in Sydney, with further updates expected later in the year.

Check them all out in the Star Wine List Sydney selection on starwinelist.com or on the Star Wine List app.

For many of the restaurants and bars, you will find their updated wine lists on starwinelist.com.
