Star Wine List launches wine guide to Piedmont

Star Wine List, the award-winning guide to great wine bars and wine restaurants, has launched the wine lover's guide to Langhe in Piedmont. Star Wine List's Piedmont ambassador, Ulrika Ferlin, has curated the selection of 10 wine restaurants and wine bars in the area.

"Piedmont has been very traditional for a long time, and still is. In the last few years though, there has been a major change and we see more restaurants opening and young and hungry chefs and sommeliers eager to show what they have to offer," says Ulrika Ferlin about the region's food and wine scene.

Piazza Duomo in Alba, Vinoteca centro storico in Serralunga d'Alba and Bovio in La Morra are among the 10 venues selected. Check out the full Star Wine List Piedmont selection on starwinelist.com or on the app.

"Having Alba and Langhe covered on our map has been on our wish list for a long time, and I can't wait to go there myself, exploring all recommendations," says Krister Bengtsson, Star Wine List's founder and publisher.

For many of the restaurants and bars, you will find their updated wine lists on starwinelist.com, and you can even search for particular wines and see where they are listed with our new Premium Membership.
