Star Wine List launches wine guide to Vilnius, Lithuania

Star Wine List, the award-winning guide to great wine bars and wine restaurants, has launched the wine lover's guide to Vilnius. Star Wine List's Lithuanian ambassador, Martynas Pravilonis, has curated the selection of 10 wine restaurants and wine bars.

"I am extremely happy to see Star Wine List finally coming to Lithuania and Vilnius. For the past few years dining out culture has been really growing in our country and together with it the wine culture as well," says Martynas.

"Martynas Pravilonis has been a star in international sommelier competitions for several years. We are very happy to have him onboard to share his favorite wine places with wine lovers from all over the world," says Krister Bengtsson, Star Wine List's founder.

Dine, Taurès and Restaurant Pacai are among the 10 venues selected for Star Wine List in Vilnius. Check out the Star Wine List Lithuania selection on starwinelist.com or on the app.
