Star Wine List launches wine guide to Panama City

Star Wine List, the award-winning guide to great wine bars and wine restaurants, has launched the wine lover's guide to Panama City. Star Wine List's Panama ambassador, Dixie Martínez, has curated the selection of nine wine restaurants and wine bars.

"It is very exciting and a huge honor to become one of the Star Wine List's ambassadors. I'm looking forward to showcase how Panama has been evolving as a food and gastronomy hub for the region, and where now wine is also taking a very important role in what the restaurants are offering," says Dixie Martínez.

"We are very excited to launch Panama today. With the boom on the wine scene I now dream of going there myself, exploring all the wine places Dixie recommends," says Krister Bengtsson, Star Wine List's founder and publisher.

Corcho, Atope and Caliope are among the nine venues selected for Star Wine List Panama City. Check out the full selection on starwinelist.com or on the app.
