## **Star Wine List launches wine guide to Melbourne**

**Star Wine List, the award-winning guide to great wine bars and wine restaurants, is launching the wine lover's guide to Melbourne. Sommelier Liinaa Berry has curated the selection of 15 wine restaurants and wine bars in and around the city.**

The Star Wine List Melbourne guide is launched in association with **Vintec**, the leading brand for premium climate-controlled wine cabinets and cellars.

"I am stoked to share my Star Wine List guide to the best wine bars and wine restaurants in Melbourne. It feels serendipitous to finally be back after nine years and share my favourite places to imbibe wine. The vibe, the people and all this amazing produce, there is a lot to enjoy here. I love this city, it feels like a warm return, even in the bitter winter right now, haha!" says Liinaa Berry who recently moved back full time to Melbourne after several years in Adelaide.

Star Wine List is the wine lovers guide to great wine bars and wine restaurants. It was started in Stockholm, Sweden in 2017 and is now live in more than 35 countries with wine guides covering many of the major cities and wine regions in the world.

"We are super excited to launch our new Melbourne guide with Liinaa Berry's favourites. In October, we will also return to Australia with the Star Wine List Awards with GT WINE, and this is a great step on the road to that celebration," says Krister Bengtsson, Star Wine List's founder and publisher.
