Star Wine List launches wine guide to Dubai

Star Wine List, the award-winning guide to great wine bars and wine restaurants, has launched the wine lover's guide to Dubai. Star Wine List's Dubai Ambassador, Thomas Johns, has curated the selection of 11 wine restaurants. Nyetimber was Star Wine List's partner for the launch that was held at restaurant BOCA.

"To be part of such a big wine movement is a really fantastic step for not only Dubai but the U.A.E region as a whole. I am extremely excited to be onboard for this launch," says Thomas Johns about the launch of the Star Wine List guide to Dubai.

BOCA, Coya and Amazonico are among the eleven venues selected for Star Wine List Dubai. Check out the Star Wine List Dubai selection on starwinelist.com or on the app.

"Wine lovers have been asking us for quite some time to create a guide to Dubai. We are very excited to be able to launch it today with Thomas Johns and Nyetimber," says Krister Bengtsson, Star Wine List's founder and publisher.

Star Wine List, starwinelist.com, is the wine lovers guide to great wine bars and wine restaurants. It was started in Stockholm in 2017 and is now live in more than 35 countries. All venues are selected by top wine professionals.

For many of the restaurants and bars, wine lovers will find their updated wine lists on starwinelist.com. Members can also search for particular wines and see where they are listed with Star Wine List's Premium membership.
