A limited number of tickets is now open to the public for Star Wine List's inaugural **Inspiration Day**, an event in Stockholm featuring world-renowned wine writer and Master of Wine Jancis Robinson, and Sweden's first Master Sommelier, Andreas Rosendal.

Star Wine List, often referred to as the Michelin guide for wine, has designed an inspiring day to gather the Swedish wine community for the chance to learn, taste, and network.

The event will be held in Stockholm on 10 November 2025, offering sommeliers, trade professionals, wine students and wine lovers the opportunity to sample incredible wines and learn from some of the most knowledgeable people in the wine industry today.

Jancis Robinson MW, one of the world's foremost wine writers who this year celebrates 50 years in wine and 25 years of [JancisRobinson.com](https://www.jancisrobinson.com), will share her story and thoughts about the wine world on stage. And Sweden's first MS, Andreas Rosendal, will teach the art of blind tasting in an intimate masterclass.

The Inspiration Day will form two parts, one being the continuous walk-around tasting – a chance to taste great wines, network, and catch up with friends; the other is the inspiring line up of people speaking on stage.
