Star Wine List celebrates top wine lists in Denmark

On 23 October, Star Wine List will celebrate the great wine lists of Denmark for the fourth time. A new category is highlighting the spirits lists: Best Digestif List.

“Denmark is not only a global destination for foodies, it is also a heaven for wine lovers. We can't wait to go back and celebrate with the talented sommeliers in Denmark,” says Krister Bengtsson, founder and publisher of Star Wine List.

Star Wine List of the Year is a celebration of the great wine lists in the world and the teams behind them. In Denmark, the prize is awarded in eleven categories, and the winner in several categories will also qualify for the International Final in 2024. Last June, Alchemist in Copenhagen won the prestigious Grand Prix for the best long wine list in the 2023 International Final.

The Danish wine list awards will take place in Copenhagen at Trio on 23 October. For the very first time, the best digestif wine lists and the best newcomer lists will be awarded.

Last day to register is Sunday September 10. Read more about the event, the categories and how restaurants and wine bars can register [here](#).
