## **Star Wine List celebrates Denmark's top wine lists - here are the finalists**

**On October 23, Star Wine List will celebrate the great wine lists of Denmark for the fourth time. The international sommelier jury has now decided the finalists.**

Star Wine List of the Year is a celebration of the great wine lists in the world and the teams behind them. In Denmark, the prize is awarded in eleven categories, and the winner in several categories will also qualify for the International Final in 2024. The jury is done deliberating, and the finalists have been selected.

“As always, the development in Denmark is very exciting. We can't wait to go back to Copenhagen to celebrate with the teams behind these great wine bars and restaurants,” says Krister Bengtsson, founder and publisher of Star Wine List.

For the first time, the best Digestif wine lists are awarded, presented by Juuls. Sustainability is back with its own category as well. Nyetimber joins as partner for the Best sparkling wine list. And as always, the best Austrian wine lists are also recognized.
