Star Wine List celebrates Norway's top wine lists - here are the finalists

On September 24, Star Wine List, Norsk Vinkelnerforening and Kapital will celebrate the great wine lists of Norway for the fourth time, at Bristol Hotel in Oslo. The international sommelier jury has now decided the finalists.

Star Wine List of the Year is a celebration of the great wine lists in the world and the teams behind them. In Norway, the prize is awarded in twelve categories, and the winners in several categories will also qualify for the Star Wine List International Final in 2024. The jury, including top international sommeliers Heidi Mäkinen MW and Piotr Pietras MS, is done deliberating, and the finalists have been selected.

For the first time, the best Cider lists are awarded. Sustainability has its own category as well, presented by Wieninger / Hajszan Neumann. Nyetimber joins as partner for the Best sparkling wine list. And like always, the best Austrian wine lists are also recognized, represented by Austrian Wine.
