## **Nobelhart und Schmutzig win Grand Prix in Star Wine List of the Year Germany 2023**

**Yesterday on April 17th, Star Wine List of the Year celebrated the great wine lists in Germany at the POTS restaurant, Ritz-Carlton, in Berlin. The gold star for best large wine list, Grand Prix, was won by Nobelhart and Schmutzig, along with the gold star for Best Sparkling Wine List. Prism, Kronenschlösschen and Freundschaft were also amongst the winners.**

“Nobelhart and Schmutzig has clearly given a lot of thought not only to their beverage selection but also to the presentation and the explanation of their choices and their ways of work. Very unique list which with its significant amount of references rightly deserves the grand prix” says Heidi Mäkinen MW, member of the Star Wine list of The Year Germany jury.

Star Wine List of the Year is a celebration of the great wine lists in the world and the teams behind them. The prize was awarded in 10 categories, and the winners in each category got a Gold Star and several also qualified for the international final (to be held in June 2023).
