## **Star Wine List celebrates the top wine lists in Germany, Austria and Switzerland**

**On May 25, Star Wine List of the Year celebrated the great wine lists in Germany, Austria and Switzerland. The Grand Prix was won by Grapes Weinbar in Munich.**

"What a difficult task this has been! But a rejoicing one too. The quality level of these lists is incredibly high, and makes it difficult to choose. Kudos to all participants: you definitely make us want to visit," said jury member Véronique Rivest.

Star Wine List of the Year is the celebration of the great wine lists in the world and the teams behind them. The prize was awarded in ten categories, one overall winner for the three countries, and many national winners. All the winners in each category got a Gold Star and also qualified for the international final (to be held in June 2024).
