Finalists announced in Star Wine List of the Year Sweden 2025

On 7 April, the international wine guide Star Wine List will award Gold Stars to the best wine lists of Sweden for the seventh time, with an awards ceremony held in Stockholm. The expert jury has now decided the finalists – a total of 67 restaurants and wine bars spanning the full length of the country.

Star Wine List of the Year is a celebration of the great wine lists across the world and the teams behind them. In Sweden, prizes will be awarded in 14 categories, with the winners in the international ones automatically qualifying for the Star Wine List of the Year International Final in June 2025, once all regional competitions have been completed.

The jury, including top sommeliers Kathrine Larsen-Robert MS and Nina Jensen, has now finished deliberating and the finalists have been selected. This competition will also see a Special Jury Prize, awarded at the judges' discretion. Winners in each category will receive a Gold Star.
