## **Star Wine List launches wine guide to Trentino-Alto Adige**

**Star Wine List, the award-winning guide to great wine bars and wine restaurants, has launched the wine lover's guide to Trentino-Alto Adige. Star Wine List's new ambassador in the region, Eros Teboni, has curated a selection of twelve wine restaurants and wine bars.**

"It is a region focused with tourism, where Star Wine List would become an essential guide that wine enthusiasts could refer to just when they have to choose the restaurant or hotel to go to. It is certainly crucial for the region to be able to have another window of visibility in the international wine world," says Eros Teboni about Trentino-Alto Adige's food and wine scene.

Hotel Valserhof, Ansitz Steinbock and Vinothek Vitis Enoteca are among the twelve venues selected for Star Wine List Trentino-Alto Adige. Check out the Star Wine List Trentino-Alto Adige selection on [starwinelist.com](https://starwinelist.com) or on the app.

"Trentino-Alto Adige is not only spectacularly beautiful, but it also has a vivid wine and food scene. I'm really happy to add another great Italian wine region to our guide to the best wine spots in the world," says Krister Bengtsson, Star Wine List's founder and publisher.
