SPARKLING

CHAMPAGNE & TRADITIONAL METHOD

NV FRANÇOISE BEDEL & FILS EXTRA BRUT MARNE | DEMI 37,5 CL

FRANCE | CHAMPAGNE | BIO

Biodynamic champagne in a creamy style after 6 years on lees. Healthy little floral scent. Taste wise, there are white lilies, pistachio and nougat that are balanced with a nice minerality and a bit of aromatic herbs. Pinot Meunier to 95% with Pinot Noir and Chardonnay (most of the harvest is from 2008)..... 450

2014 DHONDT-GRELLET "LE BATEAU" CRAMANT GRAND CRU EXTRA BRUT BLANC DE BLANCS

FRANCE | CHAMPAGNE | ORGANIC (NOT CERT.)

Le Bateau makes only around 1000 bottles per year. Not chaptalized, the malolactic fermentation started naturally, non-filtered, cleared or stabilized, 36 months *sur lattes*. 100% Chardonnay - imagine a really nice white Grand Cru Burgundy, but with bubbles. Clean and elegant, with a generous aftertaste 1700

NV DHONDT-GRELLET "DANS UN PREMIER TEMPS" EXTRA BRUT

FRANCE | CHAMPAGNE | ORGANIC/BIO (NOT CERT.)

50% Chardonnay, 30% Pinot Noir, 20% Pinot Meunier from various plots across Sezanne, Cuis, Avenay Val d'or. 70% comes from 2016 and the rest is from a solera that was started in 1986. Manual harvest, whole bunches pressed and fermented with natural yeast in steel tank and barrique. No chaptalization, clarification or filtration, malolactic fermentation started naturally, around 4-5g/L dosage..... 850

NV FLEURY PERE & FILS BLANC DE NOIRS BRUT

FRANCE | CHAMPAGNE | BIO

Award-winning champagne from organically grown hand-picked grapes. Clear bright straw yellow color with small bubbles. Pure, fresh, fruity aroma with slight breadiness and hints of green apples and citrus. Dry, fresh fruit acidity, clean taste with hints of citrus, yeast, green apples and hints of nuts and bread..... 890

NV LAHERTE FRÈRES BLANC DE BLANCS BRUT NATUR

FRANCE | CHAMPAGNE | BIO

100% Chardonnay from vines with an average age of 35 years. Organic/biodynamic farming without certification. Spontaneous fermentation in older burgundy barrels and foudres. Six months of storage with regular stirring. Partial malolactic conversion (20%). Base year 2017 with 50% reserve wine from 2016 and 2015. 15-24 months *sur lattes*. Degorged by hand in July 2019 without dosage..... 850

NV PETER LAUER SEKT SAAR RIESLING BRUT RESERVE

GERMANY | MOSEL SAAR RÜWER | ORGANIC UTAN KOPPARSULFAT (NOT CERT.)

Traditional method and base wine from 2016. Whole bunch-pressing followed by spontaneous fermentation spontaneous fermentation. 6 months on lees before 2nd fermentation, 18 months ageing *sur latte*. 10g/l dosage. It was Peter Lauer Senior who around 1950 made the first Sekt at the estate 750

PÉTILLANT NATUREL

2018 WINE MECHANICS "PET NUT-ISH" SPÄTBURGUNDER ROSÉ

SWEDEN/GERMANY | GOTHENBURG/PFALZ | BIO (NOT CERT.)

Spätburgunder rosé made with grapes from Pfalz by the urban winery Wine Mechanics in Gothenburg. Bottled with 15g/l sugar which gave about 3.5 bars of pressure in the bottle. Added yeast and sugar for second fermentation in bottle. No added sulphur 680

2017 FAUSSE PISTE MUSCAT PET-NAT "FISH SAUCE"

USA | OREGON | WILLAMETTE VALLEY, EOLA - AMITY HILLS | SUSTAINABLE

Beautifully floral and refreshing, with bright mineral notes, a wild spicy note, and a salinity on the finish that makes this wine a perfect pairing with anything from the ocean (and anything spiced with fish sauce) ... 790

2018 SHIMANOUCHI FUJIMARU "FARMER'S KYOHO SPARKLING" ROSÉ

JAPAN | TOKYO | KANTŌ |

Grapes from the coastal region of Chiba right next to Tokyo. The grape variety is called Kyoho and it is the most common variety in Japan, which is mainly grown as table grape, but which is sometimes used for playful pet nat wines with refreshing tones of pink grapefruit. This wine has first undergone carbonation fermentation and then a second natural fermentation in bottle. It is noticeably cloudy in the glass, charming and plenty of bubbles 800

WHITE

FRANCE

2018 CHRISTOPHE ET FILS CHABLIS

BOURGOGNE | CHABLIS | ORGANIC (NOT CERT.)

Christophe is working hard and consciously in to achieve a certain idea of what type of wines he wants to make. The focus is to create tight, precise and mineral rich Chablis. Just the way we like them..... 670

2018 DOMAINE MONTANET-THODEN "LE GALERNE" BOURGOGNE VÉZELAY

BOURGOGNE | VÉZELAY | ORGANIC

Spontaneous fermentation and storage in stainless steel tanks without temperature control. Full malolactic transformation. No fining, but light filtration through diatomaceous clay. A wine with an almost electrical energy, tones of apples, melon and crispy minerality..... 720

2011 DOMAINE ROULOT BOURGOGNE BLANC

BOURGOGNE | MEURSAULT | ORGANIC (NOT CERT.)

It's hard to overstate Domaine Roulot's stardom. The farm was founded in 1830 by Guillaume Roulot and is currently run in the fourth generation by Jean-Marc Roulot who converted to organic back in 1989. While many wine farmers in Meursault place emphasis on producing rich big wines, Jean-Marc chooses instead to make terroir-focused, mineral-driven and elegant wines highly sought after worldwide 1200

2016 DOMAINE PIGNIER "SAUVEGEON" SAVAGNIN

JURA | CÔTES DU JURA | BIO

Sauvegeon is the old local name of the grape Savagnin, suggesting that the grape has historically been wild-growing. The grape material comes from farms mentioned back in the 13th century. In 1794, the Pignier family took over the farms from monks. This cuvée has been raised for 12 months on topped egg-shaped barrels, providing minimal oxidation. Here we talk elegance, purity and salty aromatic energy..... 950

2015 ERIC ET BÉRENGÈRE THILL "CUVÉE ROMANE" SAVAGNIN

JURA | CÔTES DU JURA | ORGANIC

This energetic Savagnin by the young winemaker Eric Thill has been raised on topped barrels, which means it is not oxidized. Here we find pineapple, mandarin, baked apples, flowers and spices such as cassia and carnations 710

2016 DOMAINE GESCHICKT "LE SCHLOUK"

ALSACE | EKO/BIO

Here you are treated to roses and lychee in a nice cuvee of 80% Gewurztraminer that got a short skin-maceration for two days and then received a sip ("schlouk" in Alsatian) Riesling to liven it up with a little acidity. Natural fermentation on large old oak barrels, unclarified, unfiltered and no added sulphur. 710

2015 PIERRE FRICK "CARRIERE" AUXERROIS BLANC

ALSACE | BIO

The grapes come from Krottenfues (just above Grand Cru Vorbourg). The grapes were pressed directly in pneumatic press and the must fermented with the natural yeast without temperature control on very old oak barrels. The wine was stored on the same foudres for 11 months and underwent full malolactic fermentation. Filtered through cellulose plates and bottled without added sulphur 710

2017 KUENTZ-BAS PFERSIGBERG "TROIS CHÂTEAUX" GRAND CRU RIESLING

ALSACE | BIO

Clear aromas of blood orange zest, grapefruit, pomelo and almond. Rich, full-bodied flavor with a hint of fruity sweetness and the lively character of citrus fruit and yellow stone fruits, supported by cool, crisp, herbal tones. Long, rich taste with the fresh fruit acidity typical of the Pfersigberg terroir 800

2013 LAURENT BANNWARTH "COEUR DE BILD" RIESLING

ALSACE | ORGANIC

A slightly unusual natural gastronomic Riesling which offers a whole fruit bowl of sun-ripening winter apples. The wine was raised on large old oak barrels before it was bottled unfiltered, unfinned and without any added sulfur. It hardly gets more natural than this 740

2017 BECK-HARTWEG FRANKSTEIN "CUVÉE LILY"

ALSACE | ORGANIC

Gewurztraminer, Riesling, Pinot Gris och direktpressad Pinot Noir hittar vi i denna cuvée, som är på samma gång ovanlig, vad gäller druvblandningen, och karaktäristisk, vad gäller den snålvattenframkallande kryddiga mineraliteten som är så typisk för Franksteins jordmån och läge 790

2018 THIBAUD BOUDIGNON "LA VIGNE CENDRÉE" SAVENNIERES

LOIRE | ANJOU-SAUMUR | SAVENNIÈRES | ORGANIC (NOT CERT.)

A truly phenomenal Chenin Blanc with a nice creaminess in Burgundian style. Grapes from 0.5 ha in lieu-dit La Vigne Cendrée in Savennières, with southern exposure and clay soil. Fermentation takes place in steel tank and then the wine is stored for 12 months on 226 l old Burgundian oak barrels and foudres 1200

2016 THIBAUD BOUDIGNON "LES FOUGERAIS" SAVENNIERES

LOIRE | SAVENNIÈRES | ORGANIC (NOT CERT.)

A fantastic Savennières, exuberant without losing balance or focus. The mouth gives citrus fruits and minerality. Very long finish with sun-ripened lemon and grapefruit..... 1050

2018 THIBAUD BOUDIGNON ANJOU BLANC

LOIRE | ANJOU-SAUMUR | ANJOU | ORGANIC (NOT CERT.)

Grapes from 40 year old vines. Fermentation takes place in steel tank and then the wine is stored for 15/18 months on oak in 300 liter cigares and 750 liter demi-muids (30% is on new oak)..... 800

2017 THIBAUD BOUDIGNON "À FRANÇOIS(E)" ANJOU BLANC

LOIRE | ANJOU-SAUMUR | ANJOU | ORGANIC (NOT CERT.)

Fantastic Chenin Blanc from one of wine world's brightest shining stars. The grapes come from his finest location in Anjou. The wine is dedicated to his mother who died of cancer when Thibaud was 17 years old. If he feels that the wine does not live up to his mother's memory he will refuse to bottle it. The taste is of course wonderful — tight, fruity, with crisp acidity and well-defined minerality 1050

2018 DOMAINE CHAMPALOU VOUVRAY SEC

LOIRE | TOURAINE | VOUVRAY | SUSTAINABLE

Fresh dry Chenin Blanc with hints of tangerine and pear backed up by marzipan. Mouthwatering acidity balanced with a healthy dose of sweetness (honey). Notes of lemongrass and chamomile in the aftertaste..... 640

2018 DOMAINE VINCENT PINARD "FLORÈS" SANCERRE

LOIRE | ÖVRE LOIRE | SANCERRE | ORGANIC/BIO (NOT CERT.)

Grapes from two parcels with limestone soil near the village of Bué. The vines are 30-35 years old. Pressing of whole bunches, spontaneous fermentation with natural yeast, 50% on old oak and the rest in steel tank. Rested on lees until bottling in March/April. Elegant crispy freshness and highly concentrated taste of white flowers, green apples, gooseberries, minerals and green fresh herbs 720

2013 DOMAINE DE SOUCH JURANÇON SEC

SUD-OUEST | JURANÇON | BIO

"I planted my vines when my husband died," says Yvonne Hegoburu in the film Mondovino. "Since then, I give all my love to the vines. I talk to them, I ask them to push their roots deep into the Earth to get the best out of the ground. " Now at 90 years of age, there is still no sign that this passionate lady will labor of love. 70% Gros Manseng, Petit Manseng 20% and 10% Corbu that together provide fruit, floral and tangy elegance, and LOVE..... 800

GERMANY

2017 STEFAN VETTER GAMBACHER STEINTERRASSEN "MUSCHELKALK" SYLVANER

FRANKEN | ORGANIC WITH BIODYNAMIC METHODS

Clean and fresh as mineral-rich spring water. Spontaneous fermentation in old 300- and 500-liter barrels. The wine was stored two years on the yeast precipitate without stirring. No clearing or filtering. When bottling, less than 10mg of sulphur was added..... 730

2019 PETER LAUER AYLER RIESLING "FASS 6 SENIOR"

MOSEL SAAR RUWER | ORGANIC WITHOUT COPPER SULFATE (NOT CERT.)

Classic Mosel with wet stones, green apples and white flowers. Young but already fully drinkable. Because of Germany's somewhat messy rules, it is classified as Ortswein but the grapes origin is really Ayler Kupp, that is Grand Cru. Some of the vines are 120 years old and ungrafted 720

2018 PETER LAUER AYLER RIESLING MACERATION "FASS 2"

MOSEL SAAR RUWER | ORGANIC WITHOUT COPPER SULFATE (NOT CERT.)

The same fine grape material as Fass 6, but here the grapes macerated with the skins for 20 days for to add stringency and taste. Manual harvest in mid-October. Spontaneous fermentation in stainless steel and large old oak barrels for 2 months with battonage, low dose of sulfur was added before bottling 740

2017 PETER LAUER SAARFEILSER GROSSES GEWÄCHS RIESLING "FASS 13"

MOSEL SAAR RUWER | ORGANIC WITHOUT COPPER SULFATE (NOT CERT.)

Classic attributes like green apples, lime and wet stones, here backed up by herbs, flowers and a creaminess from 8 months on lees with battonage 950

2009 J.B. BECKER "WALLUFER WALKENBERG" RIESLING SPÄTLESE TROCKEN

RHEINGAU | ORGANIC

Walkenberg's south-east location protects against direct sunlight while the sun's rays are reflected up from the river. Hand-picked grapes, natural yeast, large old oak barrels and long time on the yeast precipitate. Big flavors of dried apricot, orange peel, mango, honey, passion fruit, amazing minerality and a finely tuned fruity sweetness balanced well by the freshness of the acidity 800

2018 WAGNER-STEMPEL GUTSWEIN SCHEUREBE TROCKEN

RHEINHESSEN | BIO

Scheurebe is a cross between Riesling and Bouquetraube. Most often it is used for sweet wines because it is extremely difficult to make dry wines without losing balance. The taste is reminiscent of fresh Riesling with large doses of grapefruit and juicy peach that blooms in green tones of blackcurrant leaves reminiscent of Sauvignon Blanc..... 595

2018 WITTMANN "AULERDE" GROSSES GEWÄCHS RIESLING

RHEINHESSEN | BIO

Lemon cream flavors and hints of clove and cardamom mark this well-knit dry Riesling, which combines power and elegance. Shows plenty of structure to balance the expressive palate, with a disarming clarity that belies the concentration 990

2017 WITTMANN "KIRCHSPIEL" GROSSES GEWÄCHS RIESLING

RHEINHESSEN | BIO

Starts off racy and elegant before unraveling, with a richly spiced frame and a core of fruity flavors of red peach, Meyer lemon and persimmon. A very seductive and refined version, offering a bit of creaminess offset by crystalline acidity. The powerful finish is full of ripe, spicy flavors and creamy notes 1400

2017 WITTMANN "MORSTEIN" GROSSES GEWÄCHS RIESLING

RHEINHESSEN | BIO

Morstein was mentioned in writings back in 1282. Here are optimal conditions on the limestone slope. Intense herbal on the nose and an overwhelming elegance and concentration of yellow fruits, spices and minerals followed by a crystal clear crunchy finish. It does not get much better than this 1400

2016 KÜHLING-GILLOT "PETTENTHAL" GROSSES GEWÄCHS RIESLING

RHEINHESSEN | ORGANIC WITH BIODYNAMIC METHODS

From the steepest slopes in Rheinhessen, with unusually rocky soil forcing the roots of the vines to find their way deep into the ground for water and nutrition. The location and soil produce fantastically lively and spicy wines that are nothing like the tighter wines of the more famous Morstein and Kirchspiel 1300

2016 DÖNNHOFF "OBERHÄUSER LEISTENBERG" RIESLING KABINETT

NAHE | ORGANIC (NOT CERT.)

Hand-picked grapes from vines with an age of 25-40 years growing on a steep slope of grey slate clay with perfect conditions for cabinet wines. Fermentation and storage on steel tanks and large old oak barrels. The wine has a precision and elegance with perfect balance between acidity, spiciness and fruitiness..... 700

2016 DÖNNHOFF "DELLCHEN" GROSSES GEWÄCHS RIESLING

NAHE | ORGANIC (NOT CERT.)

The vines are 15-30 years old and grow on a steep slope with roots in slate and porphyry soil. A very refined bouquet of peach, rosehip and wild berries in the nose. Amazing concentration, elegance and finesse. The finish is so long and mineral-rich that you almost lose your breath 1100

2016 WEINGUT BRAND "MONASTERY" RIESLING

PFALZ | BIO

Single parcel with old vines growing in loess and limestone soils. Spontaneous fermentation on large old oak barrels. The taste is fresh with citrus freshness and fine rose. Etc. indulgences, which is really one of the unusual things in the case of German Riesling 780

2014 DR. BÜRKLIN-WOLF "REITERPFAD" GRAND CRU RIESLING

PFALZ | BIO

Excellent vintage from one of Bürklin-Wolf's very best locations. Subtle yellow fruits combined with great mineral aromas. The taste is dominated by stone fruit, red apple and a spicy explosion in the mouth, balanced with the fresh acidity 1250

2011 DR. BÜRKLIN-WOLF "PECHSTEIN" GRAND CRU RIESLING

PFALZ | BIO

Stunning vintage of a great wine. Tropical fruit such as mango and papaya with yuzu, great minerality and structure from oak. A large yet elegant wine which is now in a perfect drinking phase 2400

2016 A. CHRISTMANN "MEERSPINNE" GROSSES GEWÄCHS RIESLING

PFALZ | ORGANIC

Dry, full bodied, very tight, focused and nuanced, fruity taste of yellow apples, distinctive mineral character and a hint of flowers. The aftertaste is long, clean and elegant..... 1100

AUSTRIA

2018 H&M HOFER GRÜNER VELTLINER | 1 LITER

NIEDERÖSTERREICH | WEINVIERTEL | ORGANIC

Fresh, fruity dry wine with flavors of citrus and notes of tart apple. Long spicy and dry taste of freshly ground white pepper and minerals. (N.B bottle 100 cl)..... 625

2019 WEINGUT INGRID GROISS GRÜNER VELTLINER

NIEDERÖSTERREICH | WEINVIERTEL | ORGANIC

Grüner in fruitier style with emphasis on ripe pears and peaches along with that grape-typical white pepperiness. Ingrid is a young acclaimed winemaker who works with the least amount of intervention in the vineyard. The grapes come from steep vineyards with iron-rich and chalky loess soil. The grapes are macerated for six hours with the skins before pressing. Natural fermentation in steel tank and storage with lees for four months before bottling..... 580

2015 E&M LANG GRÜNER VELTLINER "DRITTER AKT" SCHRECK

NIEDERÖSTERREICH | KREMSTAL | BIO

Freshness like a Chablis but storage on the yeast precipitate has given a rich texture. The fine grape-typical herbiness is there, backed by even more sting like ginger and fine fruitiness of yellow apples and peaches. The grapes are grown biodynamically and harvested by hand 1200

2013 NIKOLAIHOF "STEINER HUND" RIESLING RESERVE

NIEDERÖSTERREICH | WACHAU | BIO

2013 was a tricky year but yielded amazing wines if the winemaker knew out of it would be handled. Nikolaihof is of course such an exceptional winemaker. The wine was three years old in oak barrels before it was bottled. Concentrated taste of white ripe peaches and citrus, but there is also a complexity that goes beyond those fruits – fresh herbs, dried spices, freshly ground white pepper, salty mussel shells 990

2002 NIKOLAIHOF "VINOHEK" RIESLING

NIEDERÖSTERREICH | WACHAU | BIO

Vintage wine from Austria's biodynamic wine pioneer. The wine has spent 16 years at on the lees in old oak barrels before it was bottled in 2016. Here you are invited on a journey with snacks like dried fruit, apples, lime, flowers, tropical fruit and fine freshness. The aftertaste just keeps on giving 1900

2016 FRANZ HIRTZBERGER "ROTES TOR" GRÜNER VELTLINER SMARAGD

NIEDERÖSTERREICH | WACHAU | SUSTAINABLE FOLLOWING CODEX WACHAU

Delicate aroma with fresh spicy fruit, mineral, as well as discreet petroleum tones. Well-structured dry fresh taste with nice mineral note, hints of apple, gooseberry, ripe pear, banana and apricot 1100

2016 FRANZ HIRTZBERGER "SINGERRIEDEL" RIESLING SMARAGD

NIEDERÖSTERREICH | WACHAU | SUSTAINABLE FOLLOWING CODEX WACHAU

Wonderful wine from one of the world's most celebrated wine makers. Fresh and fruity with ripe tropical fruit, honey, peach, citrus and mineral. Well structured, tightly woven but velvety, richly fruity, very fresh and nicely mineral driven, hints of honey, citrus and tropical fruit in an elegantly balanced, dry, elegant style 1700

2018 WEINGUT PRAGER "KLAUS" RIESLING SMARAGD

NIEDERÖSTERREICH | WACHAU | SUSTAINABLE FOLLOWING CODEX WACHAU

Mineral-driven tight and very energetic Riesling with hints of Nashi pears, thyme, honeydew melon, lime, grapefruit and orange peel 1100

2018 WEINGUT JOISEPH "FOGOSCH" GRÜNER VELTLINER

BURGENLAND | BIO (NOT CERT.)

An unusual natural fermented grüner veltliner of an unusual wine maker. The typical features of fresh green apples and mineral are there, but has been backed by a shorter skin maceration which gives a little body but not a lot of tannins. Unfiltered and some lighter oxidation gives even more character 760

2018 CHRISTIAN TSCHIDA "HIMMEL AUF ERDEN" WHITE

BURGENLAND | NEUSIEDLERSEE | BIO (NOT CERT.)

70% Weissburgunder 30% Scheurebe yeast on large oak barrels. Grapes are hand-harvested and foot-trampled. The juice ferments in large barrels of domestic yeast and without any stirring. It spends 1 year in old 500 and 1500-liter barrels and bottled without clearing or filtration and no addition of sulfur. Incredibly fresh and tasty! 800

POLAND

2019 DOM BLISKOWICE JOHANNITER

LUBELSKIE | BIO (NOT CERT.)

Johanniter is a 1968 breed of Riesling and unnamed grape derived from Rulander and Gutedel. It was developed at the Freiburg Wine Institute by Dr Johann Zimmermann (hence the name Johanniter) with the aim of producing a grape with resistance to mildew which was successful. Fruity taste with notes of melon 780

SPAIN

2018 FORJA DEL SALNES "LEIRANA" ALBARIÑO MAGNUM

GALICIA | RIAS BAIXAS | ORGANIC (NOT CERT.)

40-90 year old vines from granite and sandy soil. No malolactic fermentation, 6 months on steel tank without battonage, 20% stored on foudres. Mineral driven dry albariño with a nice freshness from sun-ripe lemons, grapefruit and peach. In the background notes of ginger, honeysuckle and quinine. Magnum 150 cl 1300

PORTUGAL

2018 LUÍS SEABRA VINHOS ALVARINHO "GRANITO CRU"

MINHO | VINHO VERDE | ORGANIC (NOT CERT.)

Grapes from vines planted in 1989 in granite-rich soils in three different vineyard locations in the village of Paderne in the northern part of Vinho Verde. The fermentation takes place on large old barrels and then the wine is stored for 12 months on large old barrels without batonnage 770

2017 LUIS SEABRA BRANCO "XISTO CRU" BRANCO

DOURO | ORGANIC (NOT CERT.)

Cuvee on mostly local grape variety Rabigato with complex freshness of mineral and citrus backed by orchard excess, acacia, orange blossom, newly mown grass and a nice white peppery spice 820

ITALY

2018 CASCINA CORTE LANGHE RIESLING

PIEMONTE | LANGHE | ORGANIC

Blend of 50% Riesling and 50% Welschriesling from organic farms. Natural fermentation followed by 11 months on steel tank and 3 months in bottle. Fruity aromas of ripe citrus give a very vibrant freshness .. 750

GREECE

2018 KONTOZISIS "A-GRAFO" ASSYRTIKO

THESSALY | KARDITSA | ORGANIC

Beautiful floral Assyrtiko with everything from the citrus tree – flowers, fruit, leaves and zest. The wine has spent 34 hours macerating with the skins. Partly whole bunches of carbonic fermentation. Full malolactic fermentation, 4 months on the lees with battonage. Unfiltered, unfinned and no added sulfur 790

2017 VASSALTIS ASSYRTIKO

CYCLADES | SANTORINI | BIO (NOT CERT.)

Grapes from un-grafted vines with roots deep in the volcanic soils on the beautiful island of Santorini. Fermentation of whole bunches with natural yeast followed by 6 months sur lie in stainless steel vats. The result is a fresh generous wine with a tremendous minerality that keeps everything in place 920

HUNGARY

2015 ATTILA HOMONNA "HATÁRI" TOKAJI FURMINT

TOKAJ | ORGANIC (NOT CERT.)

Grape material from over 120 year old vines. The wine rested for a year on large old oak barrels. Wet stones, fresh sourdough bread, roasted chestnuts, Darjeeling tea, lilac and pears. The acidity is razor sharp..... 930

2015 BENCZE "ARIES" RAJNAI RIZLING

BALATON | BADACSONYI | ORGANIC/BIO

A slightly different Riesling made from grapes that have grown in volcanic soil. After pressing, the wine was fermented in a steel tank and then rested a year in amphora. Complex round aromas of ripe tropical fruits, white peach, citrus and a nice little light spiciness 720

NEW ZEELAND

2018 SATO PINOT GRIS

SOUTH ISLAND | CENTRAL OTAGO | ORGANIC WITH BIODYNAMIC METHODS

The enthusiasts Yoshiaki and Kyoko Sato want to show the world that so-called natural wines are not at all about taste (volatile acids and funkiness) but pure wines without additives. Early hand-harvested grapes grown in red sand soil and loess over gravel, slate and quartz. Whole bunches, natural yeast, upbringing in old French oak barrels, minimal amount of sulphur added when bottling. Full malolactic transformation has given a food-friendly creaminess. Very unique great taste with flowers and tones of grilled lemon and an almost umami-like freshness 770

JAPAN

2018 SHIMANOUCI FUJIMARU "DELA TABLETOP"

TOKYO | KANTŌ |

Delaware is a vitis labrusca grape, i.e. a grape of North American origin, but has been grown in Japan for many years. You can find it mainly in Yamagata in the north. Here we find a palpable scent of jasmine flowers backed by tones of fennel and wild herbs. The acid is fresh, long and food-friendly 750

ORANGE

SKIN MACERATED – green grapes macerated with the skins

EU/SWEDEN

2018 WINE MECHANICS "SKINNY LOVE" RIESLING

GOTHENBURG/PFALZ | BIO (NOT CERT.)

The grapes come from Klostergarten vineyard in the Pfalz. Immediately after harvesting it was driven Gothenburg where it was vinified by Wine Mechanics. Skin maceration for 9 days which gave an orange wine flavors but not much color or tannin. Ripe persimmon and apricot, nice freshness and dry taste 700

FRANCE

2018 DOMAINE DES SABLONNETTES "ZESTE" CHENIN BLANC VIN DE TABLE FRANÇAIS

LOIRE | COTEAUX DU LAYON | BIO

Coteaux du Layon is actually an appellation for sweet wines, but that hasn't stopped Christine and Joel Menard from producing fine dry biodynamic table wines here for over 30 years. The grapes fermented spontaneously and slept with the skin for a month. The taste is fresh and clean with fine tannins and wonderful taste of dried persimmon, orange zest and a little pepperiness 700

AUSTRIA

2018 WEINGUT JOISEPH MUSCAT OTTONEL

BURGENLAND | NEUSIEDLERSEE | BIO (NOT CERT.)

Muscat Ottonel is an aromatic grape crossed by Chasselas and Muscat d'Eisenstadt. The vines grow in calcareous soils. The bunches are stalked and then the shells are fermented with the must for 12 days before growing up in Luke's grandfather's very old 600-liter acacia dish. 4 mg/l sulphur is added when bottling. The acid along with the aromatic character of the grape is ideal for Vietnamese food. 715

HUNGARY

2018 RÉKA KONCZ "EASTERN ACCENTS"

MÁTRA | ORGANIC (NOT CERT.)

Annamaria trained as an oenologist in Debrecen, Hungary. She then worked at various wine bars in Copenhagen and had a traineeship in vineyards in Italy, Slovenia and France. Although she has only made three vintages, her wines have already found their way to some of the best restaurants in Europe. Grape material from farms under conversion to organic. 70% Hárslevelű that was skin-macerated for five. The remaining 30% is mainly Királyleányka which was semi-carbonic macerated for two weeks, as well as some Riesling and Furmint 690

CZECHIA

2016 MILAN NESTAREC "GINTONIC" SAUVIGNON BLANC

MORAVIA | BIO (NOT CERT.)

"Feeling supersonic, Sauvignon Blanc is my Gin Tonic", the young wayward wine maker Milan Nestarec sings. An odd but super tasty sauvignon blanc – light orange with one week skin contact for 1/3 of the grapes. Unfiltered no added sulfur. Fresh hints of grapefruit, passion fruit and oranges 950

2016 MILAN NESTAREC "WTF - WHAT THE FLOR" GRÜNER VELTLINER

MORAVIA | BIO (NOT CERT.)

The grapes are hand-harvested and destemmed. The juice ferments in 600-liter 5-year-old acacia barrels. 30% of the skins are in contact with the juice for about 14 days, with occasional pigeage and indigenous yeast fermentation. The wine spends 7 months under flor in the same barrels. The wine is bottled unfiltered, unfinned, and with zero sulfur added. 820

SLOVAKIA

2016 SLOBODNÉ VINÁRSTVO "CUTIS DEVINER"

JUŽNOSLOVENSKÁ | BIO

Devin is a local grape crossed from the heady floral Gewurztraminer and the peppery Roter Veltliner. In this cuveé, Devin is joined by mother Gewurztraminer. The grapes were harvested by hand. Scalpiolisation for 5 weeks with pigeage 3 times per daily. Unfiltered and only 20mg/l sulphur 730

SPAIN

2017 COSTADOR "METAMORPHIKA" CHENIN BLANC

CATALONIA | ORGANIC (NOT CERT.)

Lighter orange wine with a week skin maceration, which gave a certain structure but not much tannins to talk about. Fermented on amphora with controlled temperature, followed by 6 months on lees with battonage in old French oak. Unfiltered and unusually fresh citrus freshness for an orange wine. The wine comes in a ceramic bottle made of clay from the vineyard. No added sulphur 750

ITALY

2013 CANTINA GIARDINO FIANO "GAIA"

CAMPANIA | IRPINIA | ORGANIC/BIO (NOT CERT.)

Cantina Giardino was born out of a quest to revive indigenous grape varieties and local methods and winemaking traditions. 100% Fiano that has spent a week with the skins followed by a year on lees in old barrels of acacia and oak. The vines are almost a hundred years old..... 680

NEW ZEELAND

2017 SATO "L'ATYPIQUE" PINOT GRIS

SOUTH ISLAND | CENTRAL OTAGO | ORGANIC WITH BIODYNAMIC METHODS

The enthusiasts Yoshiaki Sato and his wife Kyoko have a vision to show the world that so-called natural wines are not at all about taste (volatile acids and funkiness) – it's about no additives and pure fine flavors, which requires a lot of the winemaker. This Pinot Gris is just like the name reveals atypical. Cold vintage that yielded plenty of acidity, 24 days of skin-maceration and 15 months on French oak with full malolactic transformation, unfiltered and unclarified. 15mg/l sulphur added to bottling..... 680

ROSÉ

EU/SWEDEN

2018 WINE MECHANICS "FISTFUL OF LOVE" PINOT NOIR ROSÉ

GOTHENBURG/PFALZ | BIO (NOT CERT.)

A Swedish rosé? Well, almost! Grapes were picked from Deidersheim in the Pfalz, Germany, and vinified by wine pioneer Wine Mechanics in Gothenburg. 90% steel plus 10% old oak barrels, zero sugar, healthy gulpable and rosé made with 100% Pinot Noir..... 630

AUSTRIA

2018 GUT OGGAU "WINIFRED"

BURGENLAND | NEUSIEDLERSEE | BIO

Blend of 60% Zweigelt 40% Blaufränkisch, yeast on large oak barrels without batonnage followed by storage on large old oak barrels for 8 months. Biodynamic cultivation, no filtration, no clarification and no added sulphur..... 730

RED

FRANCE

2016 JEAN TARDY ET FILS "LES ATHETS"

BOURGOGNE | CÔTE DE NUITS | CHAMBOLLE-MUSIGNY | ORGANIC (NOT CERT.)

Somewhat more powerful than the average Chambolle-Musigny, which stems from the specific *climat* of Jean Tardy's allotment. Cherry and plum, violet, spices and fine silky tannins. Elegant but powerful 1200

2018 DOMAINE MONTANET-THODEN "CUVÉE GARANCE"

BOURGOGNE | VÉZELAY | ORGANIC

Spontaneous fermentation with whole bunches in open oak barrels. Two weeks of scalping with pigéage at the beginning and overflushing at the end. Ten months of storage in older burgundy barrels (228 litres) and feuilletes (132 litres). No fining, but a light filtering. 670

2016 JEAN FOILLARD "CUVÉE 3.14"

BOURGOGNE | BEAUJOLAIS | CÔTE DU PY | ORGANIC (NOT CERT.)

This wine is not made every year. It is mostly a barrel selection of the Côte du Py, where it is the oldest vines and the main locations, and then only from the best years. Jean lets it lie a little longer on the barrel, and in the bottle, and releases it a year after his usual Côte du Py. And what about the strange name? 3.14=PI≈Py as in Côte du Py :) 1100

2018 JEAN FOILLARD CÔTE DU PY MORGON

BOURGOGNE | BEAUJOLAIS | CÔTE DU PY | ORGANIC (NOT CERT.)

Jean Foillard certainly shows that Gamay is in no way subordinate to Pinot Noir. Floral with ripe strawberries and cranberries, sandalwood and minerals. Soft well-integrated tannins. Grapes from old vines, some around 100 years..... 800

2018 CHÂTEAU THIVIN "LES SEPT VIGNES"

BOURGOGNE | BEAUJOLAIS | CÔTE DE BROUILLY | ORGANIC (NOT CERT.)

Beaujolais Cru in the style of how Beaujolais was made in the old days, i.e. more like its relatives in northern Burgundy. Dark berries and flowers that are violet and peony in delicate balance with textured acid. 92 points in The Wine Front 610

2019 DOMAINE CHAPEL CHIROUBLES

BOURGOGNE | BEAUJOLAIS | CHIROUBLES | EKO MED BIODYNAMISKA METODER (EJ CERT.)

Grapes from vines planted in 1970 in two different lieux-dit (Saint-Roch and Poulet) in Chiroubles. The grapes are harvested by hand and go through a semi-carbonation fermentation with whole bunches. The wine is then stored 8 months on old barrels before bottling. The wine exhibits the complex spicy elegance with depth and intensity that you would expect from Chiroubles 760

2018 DOMAINE DE L'AIGLE À DEUX TÊTES CÔTES DU JURA "LES CLOUS POULSARD"

JURA | CÔTES DU JURA | ORGANIC

Poulsard is the most important blue grape in the Jura. It has a very thin skin that produces bright, sometimes almost pinkish, fresh, voluptuous wines with fresh food-friendly acidity and terroir-typical minerality. Here a food-friendly Poulsard with an earthy smoky spiciness and nice freshness 820

2016 DOMAINE DES ARDOISIÈRES "ARGILE ROUGE"

SAVOIE | VIN DES ALLOBROGES | BIO

80% Gamay plus 20% Persan for some extra spiciness. Hints of berries ripe raspberries and cranberries, dried spices and a good dose of acidity and mineral..... 710

GERMANY

2017 ENDERLE & MOLL "LIAISON" PINOT NOIR

BADEN | ORGANIC/BIO (NOT CERT.)

Enderle & Moll have earned themselves a cult following in the wine world, with their natural wines with great structure and freshness. Here we are offered floral, mineral rich elegance with tart cherries, cranberries, dried herbs and mushrooms 750

2017 WASENHAUS "VULKAN" SPÄTBURGUNDER

BADEN | SUSTAINABLE

One third of the grape material with whole bunches, gentle extraction and powerful natural fermentation for ten days. Pressing 14 days after harvest after which it was raised in old French oak barrels for one year followed by six months on stainless barrels before bottling. Fresh and elegant with hints of raspberry and crow's berries, silky tannins and a slight spiciness..... 900

2015 WAGNER-STEMPEL SIEFERSHEIMER PINOT NOIR

RHEINHESSEN | BIO

Grapes from a single vineyard location on the Sandberg high plateau in Siefersheim where the vines grow in rocky clay soil over volcanic bedrock. Typical Pinot taste with hints of forest berries, herbs, dried carnations and cedar wood from storage on small oak barrels. Good balance between fruit and acid with a spine of fine minerality and soft tannins 720

AUSTRIA

2016 H&M HOFER ZWEIGELT

NIEDERÖSTERREICH | WEINVIERTEL | ORGANIC

A soft and balanced wine with low acidity and almost unnoticeable tannins. Scent of violets, ripe raspberry and some spiciness. The taste is flavorful and fruity with hints of flowers. (N.B bottle 100 cl) 625

2017 CLAUDIUS PREISINGER "PUSZTA LIBRE!"

BURGENLAND | BIO (NOT CERT.)

Biodynamically cultivated field blend on mostly Zweigelt backed up by a dose of Sankt Laurent for some extra spiciness. **Carbonic maceration**, unfiltered and no added sulphur 610

SCHWEIZ

2017 DOMAINE JULIEN GUILLOIN "CUVÉE MATEO" PINOT NOIR

VALAIS | BIO

Wine from Switzerland is not a common sight on Swedish wine lists, which is simply due to the fact that the Swiss drink up most of it themselves. Julien Guillon is rising star in Switzerland. His vineyards are located at 900 meters altitude in the slopes of the Alps, which means cool climate and wines with a distinct natural freshness. The natural theme is followed up in the wine cellar = no added sulphur and unfiltered..... 1100

CZECHIA

2016 OTA ŠEVČÍK SANKT LAURENT

MORAVIA | BIO

The young talented winemaker Ota Ševčík is one of the founders of the Czech natural wine organization *Autentisté*. All members work biodynamically and use natural yeast, no additives except sometimes a minimum of sulfur. Sankt Laurent is related to Pinot Noir but has a slightly deeper spicier tone 750

SLOVAKIA

2017 BOTT FRIGYES "KÉKFRANKOS" BLAUFRÄNKISCH

JUŽNOSLOVENSKÁ | BIO (NOT CERT.)

The vines grow in volcanic and calcareous soil. The grapes were given two weeks of peeling, partly with stems and then stored 10 months in 225/500-liter oak barrels. Floral refined fragrance, at the same time complex and available. Taste of red forest berries, tangy cherries, some spiciness and high acidity 740

HUNGARY

2018 BENCZE "ATLAS" PINOT NOIR

BALATON | ORGANIC/BIO

Very vibrant, fresh and fruity unfiltered biodynamic Pinot Noir from Hungary. Ten days fermentation in open vats – 50% with stems and the rest carbonic maceration. The wine lay and rested in old 2,500-liter oak barrel for 6 months before bottling with only 6 mg/l added sulfur 730

SPAIN

2017 COSTADOR "LA FASSINA" TREPAT

CATALUNYA | ORGANIC (NOT CERT.)

The trepat grape is usually found in rosé cava but in recent years there have been more red wines at Trepát where the grape's full potential may come into its own. The wine has been on both amphora and large barrels of old oak. Dark berries, freshly ground white pepper, dried herbs, silky tannins and fine sizzling ears. Unfiltered, unclarified and no added sulphur 730

USA

2015 BEAUX FRÈRES "UPPER TERRACE VINEYARD" PINOT NOIR

OREGON | WILLAMETTE VALLEY | RIBBON RIDGE | BIO

Deep and complex, this wine offers a variety of exotic spices, dark cherry, black currant, wet woodlands and a lace of sweet smoke. Structured well integrated tannins that gracefully rides over the palate 2000

2015 LINGUA FRANCA "AVNI" PINOT NOIR PIED DE COLLINE

OREGON | WILLAMETTE VALLEY | EOLA - AMITY HILLS | BIO

AVNI Pinot Noir reflects the complex taste profile of the Eola-Amity Hills fruits, with their rocky volcanic soils. Floral, smoky, mineral rich with notes of red cherry, raspberry, cranberry and black plum leading up to a long silky finish 990

NEW ZEELAND

2013 SERESIN ESTATE "RAUPO CREEK" PINOT NOIR

SOUTH ISLAND | MARLBOROUGH | ORGANIC

Great aromas of ripe red berries, spices and oak. Full textured taste with a degree of tightness, fresh acidity and flavors of dark berries, ripe strawberries, herbs and minerals 1150

JAPAN

2018 SHIMANOUCI FUJIMARU "FARMER'S MUSCAT BAILEY A"

KANTŌ | TOKYO

The grape with the strange but rather lovely name Muscat Bailey A is a unique domestic hybrid variety developed in the 1920s. Today it is the most common blue grape in the country and is often compared to Gamay. In this case, the grapes from Ibaraki Prefecture just north of Tokyo come on Japan's east coast, where Mutou-san is known as one of the region's foremost growers. The wine is made in nouveau style. It is light and charming with soft plum tones, mint and fresh horseradish 820
