

# The Long List

## A Tasting Note

**Welcome** to our long list, inspired by the vision of Sir Peter Michael.

Not many hotels or restaurants can boast having a vineyard owner as their proprietor, especially one with such a tireless focus on producing and showcasing the finest wines in the world.

We also have our own importer, The Vineyard Cellars, which helps us to source and purchase wines from some of the best boutique wineries in California.

The Peter Michael Winery continues to garner awards for its estate wines in Knights Valley and Sonoma Coast, as well as its newest project in the heart of Napa. Demand continues to outstrip supply for these sought-after wines so we are privileged to be able to offer them as part of our extensive list.

The world of wine is ever-changing and there is always something new and exciting to discover. Our list is constantly evolving as we continue our journey to seek out the very best bottles from around the globe. As such, we are pleased to say that our latest list contains many new wines and vintages based on our newest discoveries.

Of course it's when wine works in harmony with food that it truly comes alive. Our Executive Chef, Robby Jenks, delivers dishes that do just that, effortlessly striking the delicate balance that makes both the wine and dish come into their own.

Our wine policy is simple: we want it to be fun, interactive, enjoyable, educational and within reach of everyone. We offer blind tastings, comparative tastings, cellar tours, wine dinners and masterclasses throughout the year. We also run regular promotions with varying countries, regions and producers to showcase the best wines of the world.

Our guests need not despair if they can't manage a full bottle, with over 100 wines available by the glass and carafe at any one time, there's enough choice for everyone!

We are also pleased to offer a fantastic selection of bottles under £30, proving that great wine is accessible to all. My sommeliers and I are always happy to showcase our collections, introduce guests to new finds or talk them through the principles of tasting, ensuring that every wine lover who visits us gets the best experience possible.

For our guests who have loved our wine so much that they'd like to enjoy it at home, our excellent team at The Vineyard Cellars will be more than happy to source and deliver it direct to their door.

Ultimately, we aim to deliver a unique and luxurious experience to our guests in our own little temple to Californian wine, where they can enjoy immaculate service, fine food and of course the very best wine.

**Santé!**

In 1982 Sir Peter Michael established the Peter Michael winery on a square mile of rocky volcanic ridges that form the western face of Mount St. Helena in Sonoma County. From the beginning, the wine growing philosophy was modeled on the French tradition infused with a few modern influences: One, the vineyard terroir would be the single most important feature. Two, the wines would be elegant rather than overstated. Three, there would be a hundred-year commitment to the development of a great estate.

Only premium hillside vineyard fruit is selected for Peter Michael wines. Vineyards from the estate located on the slopes of Mount St. Helena in Eastern Sonoma County and Fort Ross-Seaview in Sonoma Coast, our new Au Paradis Vineyard in Oakville, Napa Valley and the Pisoni Vineyard in the Santa Lucia Highlands provide the foundation for the intense flavours and aromas in our wines. Each wine is a single vineyard bottling representing the unique characteristics of its site.
