## WHITE WINES

**La Malvar 2023**

**£59.25**

*100% malvar*

**V.T. CASTILLA**

Aromatic fresh herbs such as peppermint, mixed with citrus nuances and toasted background. Elegant and fine in the mouth marked by flavors of wild chamomile and anise. The aftertaste is unctuous, marked by a discreet acidity.

**Don Quintín 2021**

**£59.25**

*90% viura, 10% malvasia*

**D.O. RIOJA**

Pale yellow with greenish tones. The aroma is intense with fruit predominate and spicy notes of the barrel. On the palate, it is rich in nuances with an adequate acidity and balance.

**Microcósmico 2023**

**£60.00**

*100% macabeo*

**IGP VALDEJALÓN (ARAGÓN)**

Very dry white which in the palate is light-bodied with flavours of lemon, green apple and a touch of minerality. The wine has a crisp acidity and a refreshing, clean finish. Lime green in colour, with aromas of jasmine, grapefruit and mineral notes. It is a well-structured wine, with a lively texture and fresh, elegant acidity. Intensely complex and silky.

**Mas D'en Compte 2019**

**£73.25**

*60% garnacha, 20% picapoll, 10% xarel lo, 10% macabeo*

**D.O. PRIORAT**

Splendid, enticing complex nose of honeyed pear and apple, pineapples, kiwi, cocoa, apricots, toasted minerals, very full and buttery on the palate with a concentrated and rich texture pineapple, peach fruits, minerals and toastiness, perfectly assembled with a good acidity and magnificent lingering finish.

**Branco Santa Cruz 2020**

**£96.00**

*70% godello, 10% doña blanca, 10% palomino, 10% treixadura*

**D.O. VALDEORRAS**

A superbly textural wine with lovely clarity, minerality and line. There's honey, wattle and crunchy gravel soil twitched up with a bunch of wild herbs. The palate has good body but lengthens beautifully, phenolics are both constructive and controlled and the whole thing is beguiling and gently expansive (but not insistent).

## VALBUENA N°5

*A wine that shows us the splendour of each vintage based on the wisdom of the past and the wealth of the present. A mellow, passionate and living style that year after year, challenge after challenge, harvest after harvest reinterprets its style to keep its essence intact. Valbuena, is the purest expression of the Tinto Fino (Tempranillo) in Vega Sicilia. Tinto Fino is clearly the predominant wine in the assemblage of the varieties that make up this magnificent wine. The other variety used is Merlot, which is added to a greater or lesser extent depending on the vintage. Its production remains unchanged meaning that it is each year's weather factors that mark the differences between the different harvests. Aged for five years, between wood and in the bottle, which is why it is called Valbuena 5°. French and American wood, new and used 225-litre barrels.*

## ÚNICO

*Patriarch and precursor of a line of exceptional wines, forged over time, whose durability distinguishes and gives them a special character. With an inimitable, firm and solid style, it has been able to create a unique and timeless taste. It is the Vega Sicilia flagship. The qualities of the Tempranillo and cabernet sauvignon in different proportions are assembled to perfection in this wine. Each provides a differentiating factor that makes the wine great in every vintage. It goes through what is probably the world's longest ageing of a red wine, almost 10 years between wood and bottle. The different stages take place in different types of barrel: American and French wood, new and used. Each batch is what determines the type of wood and the time spent in each container. After the stage in the wood, it is aged in the bottle to complete a long and complex ageing process. It will normally spend 6 years in wood and 4 in the bottle. Único remains true to a clear and well-defined style, with an inimitable character and style; elegance, strength, ageing capacity... A unique and timeless taste that has elevated it to among the aristocracy of the great classic wines. It offers an infinite complexity that is gradually revealed, in every sip, the palate immensely silky and elegant, and has an ageing capacity that only a handful of wines in the world can claim.*
