BURNT ENDS POUR

On this page, we place spotlight on the monthly favorites from our beverage team. These are selected wine producers, breweries, distilleries, world cocktail events and the like!

Cocktail

Just Grapes by John from the Diplomat, Hong Kong

25

Unaged Armagnac – Citadelle Gin – Lillet – Verjus

With a string of impressive accolades in his stride, John Nugent hails from Seattle and first appeared on the American bar scene at the age of 22. Recognized for his precision and passion, Nugent has won a number of prestigious competitions including Cocktail Wars and the Cognac Experience Cocktail Competition.

In April 2022, we had John take over the bar at Burnt Ends, and his cocktails are a banger! Here, we feature his interpretation of a martini. A glimpse of the Diplomat in a glass!

Cider

Eric Bordelet *Poire Granit*, Pear Cider

2019 | Normandy, France

One of the most refined cider that will leave a memory, it is made from 20 different varieties of pear trees, some over 300 years old. Originating from Normandy, he went back in 1992 and took over the family business of Cider production, encouraged by his close friend, Didier Dagueneau of Pouilly-Fumé. Along the way, he has become one of the greatest cider producers in the world.

Wine

BK Wines, *Carte Blanche*, Chardonnay, Gruner Veltliner, Savagnin

Basket Range, South Australia | 2020

BK Wines was established in 2007 by Brendon and Kirstyn Keys. The goal has been to create fabulous art. Beautiful, unique, sensuous, deceptively minimalist, envelope-pushing art. After learning from masters in NZ, Argentina and California, they trained their sites on the Adelaide Hills. With no pretensions to be somewhere it's not and few preconceived notions about what wine styles to expect, this is a place where non-conformity is the rule.

Electric white, saline tang, minerally. Quinine and grapefruit juice, salty mineral water, green apple juice, incredibly long and rolling, mouth-watering finish. Understated in a way, but there's plenty going on here. Super refreshing. Very special wine.

Mocktails and Softs

In this section, we've curated a selection of zero-alcohol products. From ready to drink bottled products made by NON, & house-made mocktails.

NON is made by infusing dried fruits, herbs, spices in hot water, filtered, and is sometimes carbonated. Created as an alternative to wine by William Wade, who used to be a chef in Noma. He hated it back then for its tedious process, but after four years, he started his own venture in Melbourne and is now changing the game for non-alcoholic pairings worldwide.
