

# TO ROM OG KJØKKEN

Det er en glede å presentere vårt rikholdige drikkekart for deg - håper du finner noe som frister! Det er bare å spørre din servitør dersom det er noe spesielt du er på utkikk etter eller noe du lurere på. I kartet finner du gode alkoholfrie alternativer. Videre har vi et godt utvalg i øl som både passer til mat og som utmerket kan drikkes alene. Vi har en god del lokalt og kortreist øl i tillegg til mer langveisfarende øltyper. Til slutt har vi en oversikt over viner vi serverer pr glass og selvfølgelig vårt innholdsrike og spennende vinkart. Vi har en god prispolitikk på vin som gjør at du kan gjøre svært gode kjøp spesielt på litt dyrere viner.

*It is our pleasure to introduce our abundant beverage list and hope you will find something that matches your taste. Just ask your waiter if there's something special you're looking for. In the list you'll find good non-alcoholic options and a wide selection of beers that are both suitable for food and excellent for drinking alone. We have a fair amount of local beer as well as international types. Finally, we have a great selection of wines we serve by glass and of course an exciting and extensive wine list. We have a good price policy on our wines, and you can make great bargains especially on some more expensive ones.*
