

Inez & Ernst

Filosofi

Vårt främsta mål är att skapa en intressant och eklektisk vinlista som matchar och leker bra med det som skapas av våra kockar. Ekologiska och biodynamiska viner är något vi älskar och många av våra produkter reflekterar det, men vår högsta prioritet är att produkten i flaskan håller en hög standard. Vår resa tar oss, från så nära som sydsverige, till så långt bort som bergen i Chile och längs en ringlande väg passerar vi även andra smakfulla delar av Världen.

Våra viner på glas

På Inez & Ernst så varierar vi vinerna beroende på maten vi serverar för kvällen, ibland beroende på vädret, och då och då beroende på vårt humör. Vi har därför alltid många olika viner tillgängliga i olika prisklasser och smaker

Fråga gärna efter kvällens rekommendation eller efter din favoritdruva.
