SKIN CONTACT

BY THE GLASS & CARAFE

glass 12.5 cl / carafe 37.5 cl / bottle 75 cl

The “Skin Contact” or “Orange Wines” are white wines made with a longer maceration of the skin of the white grapes.

The process follows the red wine making and therefore shows a deeper colour, an intense aromatic with a bigger spicy punch a fantastic texture with some tannins...

Ask our sommelier gang for recommendations and discover some fantastic new wine experiences.
