*For the third year, I'm showcasing South African wines
paying tribute to my wife's birthplace.
South African wines are known for their food-friendliness, combining elegance and power.
Wine production in South Africa dates back to the 17th century when
the Dutch governors of Cape Colony planted the first vines.
I'm excited to share the unique and diverse flavors of South African wines with you.*

DEDICATED TO MY WIFE AND TWO BEAUTIFUL DAUGHTERS,

❧ BENVENUTI ❧

My friend, welcome to our home by the sea.

Pino's al Mare is a small family-owned restaurant, run by myself and my wife, Nerina. We opened here in Cronulla because this place means so much to us. Nerina grew up in the Shire, and six years ago we moved back to give our two beautiful daughters the chance to grow up close to their grandparents and cousins. It felt right to build something special here, in the place we now call home.

At Pino's al Mare, the essence of Puglia's natural beauty surrounds you. The white rustic walls, high ceilings, terracotta ornaments, and olive trees reflect the sun-kissed shores of southern Italy. This space reminds me of a holiday with Nerina and our daughters, where we felt completely at peace and were spoiled with good food and warm hospitality. I want you to feel the same way when you dine with us relaxed, welcomed, and looked after.

Every day when I step into this room, with the sounds of the sea in the background and the smell of fresh ingredients in the air, I feel at home. For me, life is simple, and food and wine should be simple too full of flavour, made with care, and shared with love. Our menu celebrates authentic Italian cooking with a modern twist, using quality seasonal produce and a special focus on seafood. It's all prepared with passion, and a little flair passed down from my father, Pino, who inspired everything we do.

Our cocktails are made with the spirit of the coast fresh, vibrant, and full of character. Each one is crafted from scratch using homemade ingredients, seasonal produce, and unique infusions we prepare in-house. From citrus peels we dry ourselves to herb syrups and infused spirits, everything is made with care and creativity. Just like our food, our drinks are inspired by the sea, the land, and the memories of long, sun-drenched afternoons spent with good company.

Our wine list reflects our story bold Italian bottles, beautiful Australian wines, and some very special South African labels, honouring Nerina's roots.

We truly hope that our food and hospitality make you feel like you're among friends, right here by the sea.

*Con amore,
Matteo & Nerina*

Nic Farr

Nic Farr is a revered figure in the Australian wine industry, much like Chris Ringland. His dedication to wine-making has earned him a special place among wine enthusiasts, including myself. Over the years, I have collected various vintages of Nic Farr's wines, and I am honored to offer this exclusive vertical tasting to you. Nic's winemaking philosophy focuses on producing high-quality wines that reflect the unique terroir of the vineyards. His meticulous approach and passion ensure each bottle truly represents the region's character. Known for his exceptional skill and attention to detail, Nic's wines are highly sought after by collectors and connoisseurs for their complexity, balance, and aging potential.

My favorites are GC Chardonnay and RP Pinot Noir. GC Chardonnay, named after Gary Charles (GC) Farr, is a tribute to Nic's father, who significantly contributed to the Geelong region and Australian Chardonnay and Pinot Noir over a 40-year career. This wine is renowned for its elegance, vibrant acidity, and complex layers of citrus and stone fruit. RP Pinot Noir, named after Robyn Pamela Farr, perfectly balances rich red fruit, spice, and earthy undertones with a silky texture and long finish.

Notable Wines

FARR RISING: This flagship wine showcases the best of Pinot Noir, with elegant aromas of red fruit, earthy undertones, and a silky texture. It is a testament to Nic Farr's ability to craft wines that are both sophisticated and approachable.

SANGREAL BY FARR: A standout wine with a reputation for its depth and complexity. It offers rich flavors of dark fruit, spice, and subtle oak, with a long, harmonious finish.

FARRSIDE: Known for its powerful structure and intense flavor profile, Farrside embodies the bold and expressive style of Nic Farr's winemaking.

SHIRAZ BY FARR: This wine highlights Nic Farr's versatility and skill in producing exceptional Shiraz. It offers deep, rich flavors of dark berries, pepper, and spice, with a robust structure and a long, satisfying finish.

Nebbiolo Grape

Nebbiolo is a grape variety that produces some of the world's most renowned wines. It is particularly famous in the Piemonte region of Italy, where it gives rise to some of the country's most prestigious wines, such as Barolo and Barbaresco.

Nebbiolo grapes are known for their high tannin and acidity, which make them ideal for aging and pairing with bold and hearty dishes. As a wine connoisseur, I have tasted many excellent Nebbiolos over the years, but one that stands out to me as particularly special is the Produttori del Barbaresco.

This wine is made by a cooperative of small growers in the Barbaresco region, who pool their resources to produce a wine that is both complex and affordable. What sets this wine apart for me is its balance.

It has all the classic Nebbiolo characteristics of tannin and acidity, but they are perfectly integrated with fruit and floral notes that make it a pleasure to drink. It is also remarkably versatile, pairing well with everything from hearty stews to delicate seafood dishes.

I am thrilled to give the Produttori del Barbaresco Nebbiolo a special place on my new wine list, and I am confident that it will become a favourite of many of my customers as well.

Produttori del Barbaresco

Produttori del Barbaresco is a cooperative winery located in the village of Barbaresco, in the Piedmont region of Italy. The cooperative was founded in 1958, and today it comprises over 50 small growers who collectively own some of the best vineyards in the area. What sets Produttori del Barbaresco apart from other wineries is its commitment to quality and tradition. The cooperative uses only the finest Nebbiolo grapes from its members' vineyards, and the winemaking process is overseen by a team of highly skilled winemakers who follow traditional techniques that have been refined over centuries.

Produttori del Barbaresco has a reputation for producing some of the best Nebbiolo wines in the world, and its wines are highly sought after by collectors and enthusiasts alike.

BARBARESCO: the flagship wine, and it is made from 100% Nebbiolo grapes grown in the Barbaresco DOCG zone. Barbaresco is known for its elegance, complexity, and aging potential, and it typically shows aromas and flavors of dark fruit, leather, spice, and earth. The wine is aged for at least two years in oak barrels before release.

PORA: known for its floral aromas and delicate tannins, with notes of raspberry and cherry on the palate.

OVELLO: more full-bodied than Pora, with a firm structure and notes of black fruit, leather, and spice.

ASILI: elegant and complex, with aromas of violet and rose petals, and flavors of red fruit, tobacco, and licorice.

MONTEFICO: known for its intense tannins and dark fruit character, with notes of black cherry, plum, and spice.

RABAJÀ: considered one of the top vineyards in Barbaresco, and its wine is often described as powerful and structured, with intense aromas and flavors of dark fruit, leather, and earth.

MONTESTEFANO: known for its depth and complexity, with firm tannins and flavors of black cherry, tobacco, and licorice.
