

WILD TAVERN

“Wine is the most civilized thing in the world”

Ernest Hemingway

Corpinnat & Cava

Created using the same methods as Champagne, 95% of Cava originates from Penedes Spain using predominantly the Macabeo, Parreleda and Xarel-lo grapes, but not ruling out the use of Chardonnay and Pinot Noir.

In 2019, nine legendary producers created a small group within Cava, called Corpinnat or 'The Heart of Penedes'.

The sole reason for this was absolutely driven by the focus on producing top quality juice. We hope you may agree...
