## INSPIRE THE WORLD TO ELEVATION

Dom Pérignon has a creative ambition that is a perpetual quest, the search for harmony that inspires emotion.

All creative processes have their constraints. For Dom Pérignon, it is the vintage. An absolute commitment to bear witness to the harvest of a single year whatever challenges it brings, even going as far as not declaring a vintage at all.

Time is part of the Dom Pérignon equation. The time for active maturation on the lees, in the darkness of the cellars, allowing each vintage to flourish, reaching the Harmony that forever signs a Dom Pérignon.

Dom Pérignon Society, a worldwide community of renowned chefs and core advocates of Dom Pérignon, sharing the same desire to offer an ultimate experience where champagne can stir an infinite palette of pure emotions. With Plénitude 2 as the iconic centerpiece of this program, this community brings these inspirational figures together to explore affinities and forge stronger links between those who are truly committed to elevating the fine dining experience.
