### Celebrate Marselan Day this April

This April, we are excited to invite you to join us in celebrating Marselan Day! A special occasion dedicated to the exceptional Marselan grape, this day honours the unique flavours and character of one of the wine world's rising stars. Marselan, a cross between Cabernet Sauvignon and Grenache, has quickly become a favourite among wine enthusiasts for its rich, fruity aromas and smooth texture. Known for its deep colour, bold yet balanced flavour, and the ability to age gracefully, Marselan is a true gem in the world of wine.

### Sassicaia BTG and Flight

Sassicaia, one of the Italy's most renowned wines, has long been celebrated for its exceptional quality and elegance. Produced in the rolling hills of Tuscany's Bolgheri region, this Bordeaux-style red blend has become a benchmark for the fine wine lovers worldwide.

The name Sassicaia comes from the Italian word "sassicaia" meaning "stony" or "stony place" which is a fitting reference to the rocky, gravelly soils of the Bolgheri region where the grapes are grown.

Unlike traditional Tuscan wines, which were primarily based on Sangiovese, Sassicaia was made from a blend of Cabernet Sauvignon and a smaller proportion of Cabernet Franc.

*The 2017 Sassicaia is a bit more intense and concentrated, the wine is still very elegant but can come off as more powerful and tannic than some years. (RP 95 points)*

*The 2018 vintage is often more elegant and graceful than the 2017. While it has good depth and complexity, the wine's overall profile is smoother, with better harmony between fruit, tannins, and acidity. (RP 97 points)*

## Special Promotion Wine for Year of Snake

The Year of Snake is significant year in the Chinese lunar calendar, symbolizing wisdom, elegance, and transformation. To celebrate this meaningful time, we invite you to join us for a special wine promotion that adds a touch of sophistication and blessings to your festivities, with the vintage of 1989, 2001, and 2013.

### CHAMPAGNE

*The 2013 vintage for Champagne is generally regarded as a challenging yet rewarding year. The growing season was marked by a cold, wet spring and a late start to the harvest due to a cool summer. However, the cooler conditions contributed to a slow ripening process, resulting in grapes with high acidity and balanced sugar levels, ideal for producing age-worthy wines. Champagnes from this vintage often exhibit fresh citrus notes, vibrant acidity, and a strong mineral backbone, making them elegant and structured.*

## RED WINE

*The 1989 vintage for red wine is considered outstanding in Bordeaux. It was characterized by a warm and dry growing season, leading to an early harvest with ripe, concentrated grapes.*

*1989 remains a classic vintage for collectors, with many wines still drinking beautifully today.*

*The 2013 vintage for red wine in Burgundy were difficult, leading to lower yields but producing delicate, aromatic wines with bright red fruit and vibrant acidity. In Italy, the vintage was better in some areas, with Barolo and Barbaresco benefiting from a long growing season, resulting in balanced wines with good structure and aging potential.*

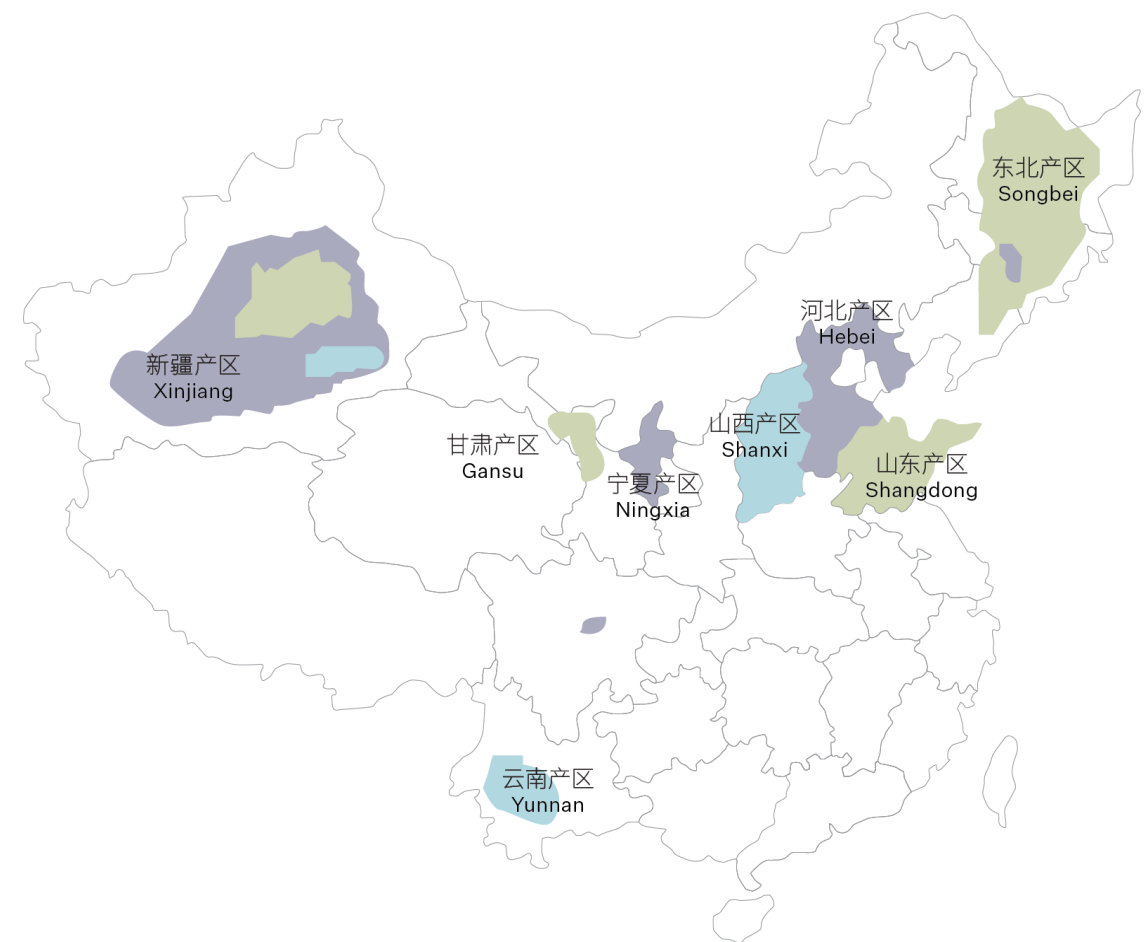

*2013 vintage in Napa Valley is considered a modern-day classic, producing powerful, inky cabernet sauvignon wines with exceptional concentration, bright acidity, and strong tannins, suitable for ageing.*

# The Poetry Of Chinese Terroir

In China, wine has a long history, although it was overshadowed by Huangjiu (Yellow Wine), and Baijiu (a much stronger distilled spirit) until the economic reforms of the 1980s. China is now one of the top ten global markets for wine. Ties with French producers are especially strong, and Ningxia wines have received international recognition.

French wine was the first foreign wine imported into China. In 1980, at the beginning of Chinese economic reform, Remy Martin ventured into China to set up the first joint-venture enterprise in Tianjin; the Dynasty (Wang Chao, 王朝) Wine Ltd., which was second joint-venture enterprise in China. Over the years, the company developed over 90 brands of alcoholic beverages, and its products won numerous awards both domestically and abroad.

# THE BUBBLY DELIGHT: CHAMPAGNE

Champagne, the iconic French sparkling wine, has been a symbol of luxury, celebration, and joy for centuries. From its rich history to its intricate production process, Champagne is a drink like no other.

Champagne's story began in the 17<sup>th</sup> century, when Benedictine monks in the Abbey of Hautvillers perfected the art of secondary fermentation, creating the first sparkling wine. The region's unique combination of chalky soil, cool climate, and precise viticulture techniques made it an ideal place for producing this effervescent drink.

Champagne is more than just a drink; it's an experience. Whether you are celebrating a special occasion or simply indulging in a glass, Champagne is sure to delight your senses and leave you feeling bubbly and joyful. Cheers!

# The Elegance of White Wine

White wine, with its vast range of flavours and aromas, has been celebrated for centuries as a versatile and elegant beverage. From crisp and refreshing to rich and complex, white wine offers something for every palate and occasion.

The history of the white wine is intertwined with the broader history of winemaking, which dates back thousands of years. Ancient civilizations, including the Egyptians and Greeks, cultivated grapevines and produced wine. White wine, like its red counterpart, was enjoyed by these early cultures, valued for its refreshing qualities and its role in social and religious rituals.

During the Middle Ages, European monks perfected the art of winemaking, and many of the techniques and grape varieties they developed are still in use today. The Renaissance period saw an increase in the popularity of white wine, particularly in regions like France and Italy. The Age of Exploration and the subsequent colonization introduced European winemaking tradition to the New World, where new climates and soils gave rise to unique white wine styles.

# Exploring The Rich and Diverse World Of Red Wine

Red wine, with its deep hues and complex flavors, stands as a testament to centuries of viticulture and winemaking expertise. Celebrated globally, red wine offers an intriguing array of flavors, aromas, and textures that cater to diverse palates and occasions.

The history of red wine is intertwined with human civilization. Archaeological findings suggest that wine production began in the Caucasus region, specifically in modern day Georgia, around 6000 BCE. From there, winemaking spread to ancient Egypt and Mesopotamia, where it became integral to both daily life and religious ceremonies. The Greeks and Romans further advanced viticulture, establishing vineyards across Europe and perfecting techniques that laid the foundation for modern winemaking.

During the Middle Ages, European monasteries played a crucial role in preserving and enhancing winemaking knowledge. The Renaissance period and the subsequent Age of Exploration saw the global dissemination of European grape varieties and winemaking practices. Today, regions such as Bordeaux, Burgundy, Napa Valley, and Tuscany are synonymous with high-quality red wine.
