

THE MONTAGU ARMS

Following the re-opening of the Montagu Arms Hotel, our wine list has been re-designed and arranged by style, using a similar style to that favoured by the late, great, World Champion Sommelier, Gerard Basset MW MS OIV(MSc) OBE. As a living wine list, it will change, expand, and will represent the different styles of wine being made in the world today, reflecting the true character of its origins.

The White Wines by style from around the world are categorised as:

Light and Citrussy; Supple and Creamy; Juicy and Aromatic.
Fresh and Pure; Fresh and Fruity; Juicy and Floral
Riesling; Sauvignon Blanc, Chardonnay; Chenin.

The Red Wines by style from around the world are categorised as:

Gamay, Pinot Noir and other light to Medium Wines; Juicy and Fruity; Merlot, Cabernet, Malbec and blends;
Supple and Vibrant; Smooth and Expressive; Syrah/Shiraz, Grenache, Blends and other Varieties.
Velvety and Intense; Rich and Powerful.

Dessert Wines and Port by the Glass

Our vision is to create a wine list that is accessible to everyone and one which will continuously evolve and exhibit the wine characteristics of each region and also show how they differ from each other.

We have selected only the best examples of each wine, ranging from emerging wineries to the reliable old classics including 44 organic or non-certified organic and 28 biodynamic wines.

Our wine list at the Terrace Restaurant consists of wines which have been carefully selected for their high quality, value and food-matching ability which specifically complement the cuisine of our Head Chef Matthew Whitfield.

Our new wine list is more concise, however if you wish to see our extended wine list, please just ask a member of the team.
