France, Europe & Beyond—
a journey through time
1910's—2000's

We are very excited to share with you our love for the legendary Barolo wines of Giacomo Borgogno.

This historic Back Vintages Wine Journey has been something we had on our minds for a while now.

Finally with the help provided by Oeno Group, one of London’s best Fine Wines Merchants we can share the incredible work of our favourite producer in Piedmont with you.

Since 1761, the most historical winery in Barolo. The underground cellars continue to represent a rare historical memory of the Langa to this day, and the wines are made according to tradition: long spontaneous fermentations in concrete tanks without the use of selected yeasts, and long periods of ageing, strictly in large Slavonian oak barrels. They cultivate their vineyards in Barolo, Madonna di Como and in the Colli Tortonesi. With absolute respect for the earth, they don’t use any chemical fertilisers, no herbicides, and practice only eco-friendly treatments. This will result in the wines being certified as organic. Today, Borgogno continues to be the expression of a territory and of tradition and history, always with a watchful eye on the future.

SINE QUONON

As long-term admirers of the works of Manfred & Elaine Krank, both in fruit-work and artwork, we are happy to present a small but multi-decade spanning list of his masterpieces, at what we believe to be, unrivalled value.

Comprising mostly bottles of the grape we feel really symbolises Manfred's wines, Syrah, but with a white blend, a Grenache and a Rose thrown in for good measure.

All bottles subject to very limited quantity
