

# “In vino veritas”

Gaius Plinius Secundus, 23-79 C.E

is a Latin phrase that means "In wine, there is truth", suggesting a person under the influence of alcohol is more likely to speak their hidden thoughts and desires. The phrase is sometimes continued as, "In vīnō vērītās, in aquā sānitās", i.e., "In wine there is truth, in water there is good sense (or good health)." Similar phrases exist across cultures and languages.
