

LOVE LETTERS FROM THE MEDITERRANEAN

Begin your journey through the Mediterranean with our wines. With our curated selection from Sicily, Santorini, Tinos, Crete, Provence, Spain and more, peer into an unknown world. Here at Amali, we pride ourselves on our choice to be daring travelers, those who ask questions, who learn more, and who sincerely believe in highlighting the unsung producers.

Our most recent addition to this list comes from Crete, the largest and most populous of the Greek islands. One of Greece's most artisanal and sought after producers, Yiannis Economou, is the heart and soul of Domaine Economou. A natural winemaker of extraordinary ability, he is truly obsessed with displaying his homeland's exceptional terroir in the most vivid way possible. Yiannis treats his vines and the resulting wines with a kind of obsessive care rarely seen in modern wine making: selling off lesser vintages when not satisfied with a year, suffering through incredibly low yields rather than chemically treating the vines, and bottling and releasing his wines when he feels they are ready, instead of being dictated by market principles. These wines, born of Crete's ancient, volcanic soils, stand shoulder to shoulder with the world's best wine when it comes to complexity, longevity and their ability to bring sublime pleasure to those who love them.

Whichever direction you choose with us at Amali will be spectacular, whether you tour the Greek islands, or sample the vines of Spain. Our selection of over 400 bottles will keep your travels interesting.

Happy sipping,

Despoina Karapostolaki
Kylie Monagan
