

Tribeca Grill

welcome to the tribeca grill. our award winning wine list is arranged by grape variety and then region. the list is international with a focus on burgundy, california and the rhône. many vertical listings of california wines have come directly from the producers.

our châteauneuf du pape selection is the largest in the world. we feel these wines are among the best values in the market today. often produced from old, low yielding vines, the wines have concentrated and complex flavors that complement the robust cuisine that tribeca grill is known for.

we have many rare wines in our collection. they include magnificent aged white and red burgundy, red bordeaux and rhône wines. the best of the best are featured in our 'wines of the century,' something to consider on a special occasion.

all of our wines are kept in temperature-controlled cellars at 58 degrees. some, including most red wines, may need a few minutes to warm up in the glass once they are opened. we have the utmost confidence in our suppliers of these wines, however they are presented in "as is" condition. please understand that there can be bottle variation with wines that have been aged for long periods of time.

producer spotlight

domaine de la janasse

In 1967, Aimé Sabon returned from his military service. He promptly set himself to tending the grapes that his father had been selling to the local co-operative and to bottling the wine that his father-in-law had been selling to a negociant (a merchant of bulk wine). The Domaine was named after the historic vineyard "La Janasse" in Courthezon– the sandy northeastern quadrant of the appellation in Châteauneuf du Pape where Chateau Rayas alike produces elegant grenache dominant wines. Now under the responsibility of the next generation, brother sister team Christophe and Isabelle, Domaine de la Janasse produces wines of exemplary freshness with purity of fruit, refined texture and intensely complex aromas. Their estate bottling is a classic blend of hand-picked and hand-sorted grenache, syrah and mourvedre. As is the 'Vieilles Vignes' or 'Old Vine' cuvée which issues from centenarian vines while the exquisite 'Chaupin' features exclusively old-vine grenache. Finally, we are fortunate to present the very rare 'Cuvee XXL,' as monumental a wine as any to come out of the region.

wines of the century

these wines are widely considered some of the greatest produced in the last 120 years. there certainly are others, but we believe the wines below are true legends and will certainly provide a rare tasting experience

château pétrus, bordeaux 1990 5000

incredible power and longevity for a wine that is 100% merlot. just now approaching its window of drinkability, this will certainly age for 20-40 more years. the 1990 vintage is as great for petrus as 1961 or 1947.

vega sicilia, 'unico,' ribera de duero 1970 1500

considered by many to be 'the' iconic wine of spain, unico highlights the talent of mariano garcia's direction spanning from the 1960's to 1990's. with incredible staying power, this wine will bring pleasure for decades to come.

château latour, bordeaux 1961 4700

the longest lived first growth in perhaps the greatest year of the century. will last for 20-30 more years, perhaps longer.

château margaux, bordeaux (château bottled) 1900 9200

the first vintage of the century produced a large crop of extraordinary quality. a wine of enormous ageability that is still pleasureable at 110 years old. the château still maintains that it is one of the greatest wines they have ever made.
