german rieslings

off-dry & sweet styles - 25 years of age or older

"riesling is often enjoyed young and it is easy to understand why - its youthful exuberance and liveliness is hard to resist. but the true greatness of riesling reveals itself with age. at maturity, it is one of the greatest wine experience any wine lover can have." - mosel fine wines -

rieslings of weingut dönnhoff

the dönnhoff family first came to the nahe region 250 years ago, establishing a traditional farm in the village of oberhäuser in nahe. the estate was started by helmut dönnhoff's grandfather in the 1920s, but it wasn't until 1971 when he turned his full attention to producing quality wine. helmut worked the vines in oberhäuser, expanding slowly and naturally. his success followed hard work, commitment and understanding that "the vineyards speak for themselves - you just have to hear them."

in the 40+ years that have passed since helmut began his work, torch has been passed to his son cornelius, but the commitment to excellence and transparency remained constant with their consistency in quality, second to none.

niederhauser hermannshöhle has been rated the best site in the nahe for more than 100 years. it's the benchmark by which all other sites are judged. perfect, steeply sloping vineyard with black/grey slate soil with volcanic elements.

rieslings of joh. jos. prüm

prüm estate began with sebastian alois prüm; his brother jodocus constructed iconic wehlener and zeltinger sundials. of his six sons, only mathias married. in 1911, the estate was split amongst mathias' four sons and three daughters, eldest son was johann josef. when joh. jos. fell ill, his son sebastian took over in 1920 and went to establish the world repute, which continues to this day.

after sebastian's death in 1969, his son manfred assumed responsibilities, and today with his oldest daughter katharina, perpetuate a style that has become a mosel archetype: wines of delicacy and restrained sweetness.

wines of chateau musar

chateau musar was founded in 1930 by gaston hochar in bekaa valley of lebanon.

it wasn't until gaston's son serge took over the helm in 1959 that wines gained its notoriety.

after receiving recognition from michael broadbent at 1979 bristol wine fair, chateau musar

drew an international cult-like following ever since. owing to his inspiring determination

and passion for his wines, serge received an inaugural 'man of the year' from decanter

magazine in 1984, and is one of the most written-about and discussed wine today.

estate blanc are made from ancient lebanese grape varieties obaideh and merwah.

reputedly the ancestors of chardonnay and semillon. the vines are phylloxera-free

on their original roots, and its style is rich and intensely aromatic.

estate rouge are made with combination of cabernet sauvignon, carignan and cinsault.

wines are bottle aged for of 7 years before release, and are capable of prolonged aging.

wines of louis jadot

aim of louis jadot is to express the true nature of burgundy through its wines,

a terroir that can be both proud of its past and optimistic about its future.

louis jadot wines offer one of the greatest range, from grand cru to regional level

that truly speak of their places. these wines deliver tremendous value, and their ability

to age is second to none. i have often found myself pleasantly surprised by the juice

behind the iconic statue of bacchus. i hope you find the same today!
