PANTELLERIA, SICILIA

Recently while traveling through Sicily, Chef Fabio tasted at the Tanca Nica winery on the tiny island of Pantelleria, and fell hard for their unique style. The grapes are grown in two main types of soils: 'soki soki' - a light, sandy soil made of lava rock and volcanic eruption fragments; and 'terre forte' - a rich clayey soil rich in iron. Their wines see varying maceration lengths, are aged on fine lees, and are unfinned/unfiltered. Winemaker Francesco Ferreri says Tanca Nica is a territorial study of the Zibibbo grape.

Tanca Nica 'Soki Soki' is racy, fragrant, with orange peel, mediterranean herb aromas, and a long saline finish. Tanca Nica 'Terra Forte' is the antithesis of 'Soki Soki' - viscous and tannic, with aromas of bergamot, mandarin, and bitter peach skin (15 days of maceration on skins)!

Tenuta Dell'Ornellaia

The Ornellaia Estate was founded in 1981 and is located near the picturesque village of Bolgheri on the unspoiled Tuscan Coast. Bringing the styles of Bordeaux production to the epitome of quality for this now heralded producer. Winemaker Axel Heinz focuses on the full style and finesse of the Cabernet Sauvignon and Merlot varietals while preserving the pepper and acidic style of Tuscan reds.

Tenuta Antinori

The Tignanello estate is home to the renowned Tignanello and Solaia vineyards. Located in the heart of Chianti Classico, the estate was built on a site that dates back to 1346. Piero Antinori began to tinker with the traditional Chianti formula – sangiovese blended with indigenous varietals, both white and red. He found himself abandoning it altogether in 1971 with the release of Tignanello, creating the first of the modern-day Super Tuscans.

Bibi Graetz

Bibi was a promising young artist in Florence, but he had an increasing passion for wine, which lead him to study everything he could find on enology. Since the release of his 2000 vintage in Tuscany, Bibi has gained international recognition from both collectors and wine aficionados. His wine is produced from 30 hectares of old vines and native grape varieties utilizing organic practices.

MADEIRA: A PATRIOT'S WINE

Madeira wine was born in the cargo holds of trading ships destined for the New World and East Indies. Beginning 625 miles southwest of Portugal, on the steep volcanic slopes of the sub-tropical island of Madeira these wines were fortified to help stabilize them for their *torna viagem*. Aboard these ships, the wines were subject to extreme humidity, heat, and oxidation. The result was an indestructible wine that smells, tastes, and looked far different than it did upon its departure. This process is no longer done aboard ships but is replicated using more practical processes. Surprisingly, Madeira was once the most imported wine to United States.

These wines were drunk to celebrate many singular moments in the United States history, including the signing of the Declaration of Independence. Sercial, Verdelho, Boal, and Malvasia, from driest to sweetest, respectively, constitute the bulk of Madeira production. Other highly prized varietals include Moscatel, Terrantez, and Bastardo, but as none has been replanted since 1872, they are rarely seen. We have taken painstaking efforts to source these stunning wines from a few of the last remaining Madeira production companies in the world. Our deep Madeira selection allows you to sit back, relax, and travel back in time to enjoy a once in a lifetime after dinner accompaniment, much like many of our Founding Fathers. These wines will truly impress.
