FEATURED PRODUCER: DIBALDO (EMILIA-ROMAGNA)

Baldo Baldinini, an ex-perfumer, operates out of an olfactory lab above Tenuta Saiano, an organic farm and winery, outside Rimini in Emilia-Romagna. Having left an industry overrun by artificial aromats, Baldo is taking aroma back to it's natural roots, cataloguing thousands of the world's most desirable fragrances. He works in silence, applying his knowledge of perfumery to the creation of an exceptional suite of 'Essenze' (essences) of aromatic intensity and purity - the raw and natural in a world of manufactured vermouths and bitters.

FEATURED PRODUCER:

FORADORI

(TRENTINO-ALTO-ADIGE)

Elisabetta Foradori is considered one of the most influential winemakers in the world. Her winery is situated in Mezzolambardo, the hills above Trento in the Trentino region of Italy, a World Heritage Site, and a landscape of extraordinary beauty.

The focus here is on the red indigenous Teroldego grape with Foradori's examples being amidst some of the best in the world. Since 2002 Elisabetta has farmed her land using biodynamic principles, and winemaking remains 'natural' with very little intervention. Whilst there is a lot of attention given to the Teroldego, Foradori has been responsible for the revival of Manzoni and Nosiola, two ancient, indigenous varieties that neared extinction.

The Nosiola is a joy to drink, with exotic fruit, herbal notes and a thrilling complexity and freshness.

The Teroldego wines represent old vine excellence in every sense, graphite mineral nuance while spice laden dark fruit abound.

These are artisanal wines in the true sense of the word. They are also scarce and highly sought after by collectors and wine lovers across the globe. These are truly unique and original wines of personality and purpose.
