
Our wine & drinks list is much like our venue - small and fun, with a focus on quality.

We offer food-friendly bistro wines that nod to the wines of the old world (especially France!) while showcasing some of our favourite local and Australian producers.

We love finding hidden gems from lesser known places and emerging producers, and we love sharing special and rare bottles when we get our hands on them (which can be found on our 'fancy list' - just ask!). We are always happy to lend a hand for a recommendation whether it's by the glass or bottle.

Salute!
