BOCA

ABOUT THIS MENU

Our award-winning menu boasts 400+ labels, including 57 by-the-glass options, showcasing the best of Old and New World viniculture. Our focus is on Spain, where you can explore beyond the popular Ribera del Duero and Rioja regions to discover new favourites. Our selection includes wines from lesser-known regions such as Castilla, Conca De Barbera, Montsant, Somontano, and Toro DO. Sample indigenous and revived grape varieties and uncover the future stunners of Spain.

REGIONAL & BEYOND

In line with BOCA's philosophy to stand with regional producers, we feature wines from countries close to our home including Syria, Lebanon, Greece, Turkey and for the first time Palestine.

FLIGHTS & EXPERIENCES

Experience the evolution of time, the change in terroir and wine-making styles with four new wine flights and experiences.

HOUSE OF GRENACHE

At BOCA, we have an immense appreciation for Grenache. We invite you to explore a diverse selection of winemakers who showcase their passion for this versatile grape in this new dedicated list.

SUSTAINABILITY AT HEART

As combating climate change is more urgent than ever, we have increased our efforts to raise awareness by working closely with like-minded producers. We have highlighted wineries that are biodynamically and sustainably certified and produce bee-friendly, organic, and vegan wines.

THE ART

BOCA & Fann À Porter are delighted to present the works of Sara Tantawy (b.1994, Cairo) from her series, Survivors. The works capture the gestures and movement of traditional dancers to explore an ancient practice that for centuries has allowed communities to narrate and process the challenges of life events.
Using allegory and metaphor to describe these profound experiences, Tantawy's hyper realistic compositions offer introspection for the viewer.

BOCA'S WINE CELLAR

The wine cellar at BOCA is open for receptions, pairing events, and winemaker-led tastings, both on-site and via weblink. For availability, please speak with our Head Sommelier or Guest Relations Team.

WINE MENU

At BOCA, we are proud to be associated with a league of winemakers who prioritize preservation and regeneration of the land while producing some of the world's finest labels. These champions insist on working with native and revived grape varieties and go through a long and daunting biodynamic process of soil restoration to combat changes within the vineyard. They believe in expressing the nuances of the terroir, intervening only minimally in the winemaking process, and demonstrating the vibrancy of the fruit in every bottle. Our team has worked closely with each of these legendary winemakers to curate a selection that reflects their passion and commitment.

As you take a seat and embark on a journey with us, we invite you to watch a personal message from our winemakers recorded at their estate.

Welcome to BOCA and ¡Buen viaje!

HOUSE OF GRENACHE

At BOCA, we have an immense appreciation for Grenache, also known as Garnacha, Garnatxa, or Granaccia. This versatile grape is responsible for producing robust and flavorful red wines, as well as deep and ruby -tinted rosés. The whites produced by Grenache have low acidity, with notes of citrus and herbs. While the French have championed this grape in the Southern Rhône Valley, its origins trace back to Spain. We invite you to explore a diverse selection of winemakers who showcase their passion for Grenache, either by using 100% Grenache or as part of a blend where Grenache is the dominant grape. These winemakers emphasize the unique attributes of their region and individual winemaking styles, resulting in an exceptional collection of outstanding wines. Come discover the way in which these winemakers highlight their specific geographic locations and individual styles and uncover the many wonders of Grenache.
