FEATURED PRODUCER: BLOODY HILL VILLAGES

Bloody Hill is a second label for Yarra Valley cult-winemaker Timo Mayer, which in 2020, Timo's son Rivar joined the business with the introduction of their grower range - Bloody Hill Villages. The wines in this range are all made by Rivar with help from his father from classic and not so classic Yarra Valley varieties that are sourced from select sites.

The Bloody Hill Villages range is modestly priced and always over delivers. The production is quite small. Fruit is sourced from organic vineyards and the winemaking philosophy is simple - wild ferments in neutral vessels, elevage in old seasoned oak and bottled unfiltered and unfiltered. The wines are clean, have a sense of place, grower and winemaker.
