COFFEE

5

Proyecto Diaz Coffee sources beans from Oaxaca, Mexico and is intensely focused on restoring coffee farms throughout the state. With profits from the sales of their coffee, they hope to support small coffee farms and provide social programs for the Oaxacan community. The single origin espresso, 'Bella Vista' created in collaboration with Californios, highlights coffee from Chiapas, Mexico. All beans are roasted in Oakland and delivered fresh to our door.

TEA

SONG TEA, JAPANTOWN, SF

Peter Luong sources teas of exceptional quality and character by working directly with the producers. Each year, Song Tea assembles a collection of traditional, rare and experimental teas from China and Taiwan. He looks for skillfully crafted leaves from clean growing regions – leaves with structure, texture, and complexity. Peter has teamed with Californios to offer a unique, seasonal tea selection, curated to complement the nuances of our cuisine.
