# Dom Pérignon

Dom Pérignon has mastered the art of assemblage. By selecting only the best grapes from a single year, the maison upholds the method discovered by Benedictine monk Dom Pierre Pérignon to create breathtakingly distinctive, fresh and intense Champagne.

Overseen by the Cellar Master, the Maison ensures each vintage is only disgorged once it has reached its plénitude – a peak level of expression. The first occurs after around nine years and the second (“P2”) approximately seven years later.
