

Welcome to Esters!

I fell in love with wine for many reasons, but mostly because of the stories behind the bottles. Our shelves are filled with wines made by smaller producers, whose stories I know and love.

Many people are intimidated by wine. I want to change that. The truth is, it's just grape juice. It doesn't matter what you know. Just start talking to us. Or we'll start talking to you! Do you like full-bodied wine, or lighter styles? Do you like something more earthy or fruity? What's your budget? Let's have a chat.

The wines on our walls (and in the first part of this book) are separated by style. There's a separate section for our cellar bottles. (Something extra special for THAT kind of night.)

If you fall in love with a wine on our list, you can take it home. Nearly all our bottles are available in the retail shop.

So whether you're a novice or a Master Sommelier, I hope you'll find something unique to enjoy.

Cheers!

*Kathryn*

# KATHRYN'S JANUARY PICKS

## SPARKLING

**Venturini Baldini** Lambrusco, Emilia-Romagna, Italy NV ... 30

*When we talk about sparkling red wine, we're almost always talking about Lambrusco from Emilia-Romagna. Venturini Baldini is a classic estate that dates back to the 17th century, situated in the hills between Reggio Emilia and Parma. Since 1976 they have been producing organic Lambrusco and balsamic vinegars. The winery was one of the first in Italy and the first in the region to switch to an entirely organic production. In 2013, Giuseppe and Julia Prestia took over the estate from the Venturini Baldini family, continuing the visionary work of the previous owners. This is fruity and dry bubbly red, that's festive and comforting for winter nights.*

## WHITE

**Le Rocher Des Violettes** 'Toche Mitane' Montlouis-sur-Loire, France 2018 ... 39

*For a young man from the north of France, Xavier Weisskopf has a remarkably precocious track record in the world of wine. He went to school in Chablis, where his passion for the vine took root and led to the wine school in Beaune. After earning a degree in viticulture and enology, he went to work for the dynamic, hard-driving Louis Barruol at Château de Saint Cosme in Gigondas. He quickly became Louis' chef du cave, and made four vintages there.*

## RED

**Señorio de P. Peciña** 'Reserva' Rioja, Spain 2013 ... 50

*Senorio de P.Pecina Reserva is a traditionally styled Rioja in the same vein as the wines from Lopez de Heredia and La Rioja Alta, but Pecina is crafting this style of wine on a much smaller scale. The winery allows the wine to sit in barrels for an extended period of time, here close to three years, followed by several years in bottle before release. During that time it develops a brick red tint along with bright cherry and red fruit character and peppery and nutty spices.*
