*At **Rustic Canyon**, we focus on artisan, hand-crafted producers making excellent wine throughout California, Oregon, Italy, France, Spain and other distinctive regions around the world. We list the number of cases produced next to the wine to show just how special and unique each bottle you're drinking is. Enjoy your wine and let us know if you would like more information on any of our offerings.*

*A 4% charge is added by the restaurant to all checks to help offer fully covered healthcare to our employees. Please let us know if you have questions or if you'd like the charge removed.*
