Concept of HAJIME's Wine Program	41

SOMMELIER
Akira Tsukamoto

We cherish Japan's unique terroir and offer a selection of Japanese wines and sake.
Experience the delicate flavors born from Japan's natural environment, perfectly paired with our cuisine.
Whether you seek classic wines or wish to explore new flavors,
our sommelier will guide you to the perfect choice, creating a truly memorable dining experience.

* All listed prices include tax. A 15% service charge will be added separately.

H A J I M E

HAJIME Wine Program

The wine program at HAJIME is designed to achieve the perfect harmony between wine and cuisine, offering a unique pairing experience that combines wines from around the world with Japanese sake and even select liqueurs. It is not simply about selecting exceptional wines but about maximizing the synergy between wine and food through a combination of scientific analysis and refined sensibility.

1. A Fusion of the World and Japan

Our wine selection is carefully curated from renowned regions such as France, Italy, Spain, Germany, the United States, and Australia. Additionally, we incorporate Japanese wines and sake, introducing a unique blend of Japanese culture and global wine traditions.

2. The Concept of Pairing

Each dish at HAJIME is a masterpiece that embodies the chef's philosophy and deep respect for nature. To complement this, our pairings go beyond traditional wine selections and include sake, liqueurs, and occasionally specially crafted non-alcoholic beverages, ensuring a seamless connection between food and drink.

3. Criteria for Wine Selection

Rather than simply offering well-known wines, we carefully select wines based on their balance, aroma, texture, acidity, and minerality to ensure a perfect match with our cuisine.

- **Elegant and refined wines** that enhance delicate flavors.
- **Wines that express terroir**, capturing the essence of their origin.
- **Mature wines with depth**, revealing complexity over time.

4. A Sensory Experience

The wine program is not just an accompaniment to the meal—it is designed as an immersive experience that stimulates the senses. Our sommelier provides detailed explanations, allowing guests to not only taste but also discover the stories behind the pairings, creating an experience that is both educational and deeply memorable.

Conclusion

The HAJIME wine program is a meticulous exploration of unity between wine and cuisine, seamlessly blending global wines with elements of Japanese culture. Every pairing is crafted to evoke surprise, emotion, and discovery, ensuring that each guest experiences something truly extraordinary with every sip.
